Final Judgment and Civil Orders

An example of the deception:

When you applied for a “marriage license” a private, for-profit franchise of the UNITED NATIONS doing business as the STATE OF _____ claimed a custodial **ownership** interest in your marital relationship and the products resulting from it. On the basis of your own signature, this entity secretively claimed to own you, your wife, and your children as chattel. According to them, when you apply for a marriage license, the nature of the marriage contract changes and becomes a "civil contract".

1 *"Marriage is a civil contract to which there are three parties - the husband, the*
2 *wife and the state." Van Koten v. Van Koten. 154 N.E. 146.*

3 Did you ever **intend** to give a foreign privately owned corporation merely calling
4 itself the STATE OF _____ permission to distribute your assets in a
5 divorce, force you to pay alimony and child support, and to seize custody of your
6 minor children under armed force?

7 Were these results of signing a “marriage license” ever disclosed to you by the
8 STATE? Did the STATE disclose its identity and nature, as a franchise of a
9 foreign, for-profit, privately owned corporation?

10 You were **never** required to have a marriage license to be lawfully married----but
11 was that fact ever fully disclosed to you by the STATE?

12 **You have the absolute right to rescind your signature from any contract that**
13 **was not fully disclosed to you.** Such a contract is null and void, as if it never
14 existed at all, and all payments and other asset distributions exercised under it are
15 subject to return to the lawful owner(s), plus reasonable interest.

16 **You are not obligated by any contract obtained under conditions of fraud,**
17 **deceit, or non-disclosure. The STATE is culpable for its failure to disclose.**

18 Any demand that you produce a “marriage license” as a prerequisite to access
19 services and benefits to which you are otherwise entitled---such as medical
20 insurance coverage for your spouse --- are illegal monopoly inducements.

21 **This is just the tip of the iceberg.**

22

Final Judgment and Civil Orders

23 **In the Presence of God, Pope Francis, and the World:**

24

25 Let it be known to all living and dead, and to all those responsible for administration of the
26 affairs of the living and dead, that all commercial contracts ever actually or presumptively
27 existing between the living man known to the public as “james-clinton:belcher” and the living
28 woman known to the public as “anna-maria:riezinger” and their similarly named ESTATES and
29 privately held American express and *inter vivos* trusts, including “Anna M. Riezinger-von Reitz
30 and James C. Belcher” and the **following incorporated entities**---the United States of America
31 (Minor), the city-state of Westminster, United Nations, UNITED NATIONS, the UNITED
32 STATES, Federal Reserve, FEDERAL RESERVE, International Monetary Fund, IMF, and all
33 their respective franchises, agencies, and departments including the State of Alaska and STATE
34 OF ALASKA--- are all and uniformly invalidated for semantic deceit and non-disclosure.

35 All signatures of the living man and woman are rescinded from all documents in the possession
36 of any of these incorporated entities which claim or seek to claim any beneficial commercial
37 interest in them or their ESTATES or which claim any representative capacity related to them or
38 their ESTATES whatsoever.

39 All interest, good faith service, and accrual on investment owed to the living people as the
40 beneficiaries and entitlement holders of their own ESTATES is due and owed to them and their
41 heirs without exception or prejudice by the officers and administrators of the United States of
42 America (Minor), the city-state of Westminster, and the United Nations.

43 Be it also known that these and other individual American Nationals now exercise their birthright
44 upon the land of the organic states united by the Articles of Confederation (1781) and that they
45 have the full and unimpeded right to act as Judges of these organic states, to issue orders related
46 to their administration, and to demand compliance with all Articles of the national trust indenture
47 and commercial service contract known as “The Constitution for the united States of America”
48 and all related international treaty provisions owed to us by the United States of America
49 (Minor) and the United Nations and the city-state of Westminster, and any successors, executors,
50 administrators, corporate officers, elected or appointed officials, trustees, agents, agencies,
51 franchises, franchise operators, and employees thereof, now and in perpetuity.

52 Fifty-five (55) days have passed without any sworn affidavit in rebuttal of the facts presented by
53 the FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE DEFAULT issued to the
54 individuals, persons, and institutions responsible for default. All have been promptly and
55 properly notified of mis-administration of the public trusts established in the Names/NAMES of
56 living Americans and the organic American states by incorporated entities doing business as the
57 United States of America, Inc. and the UNITED STATES, INC. and their trustees, officers,
58 employees, and agents who are under contract to provide governmental services to those harmed.

59 Under Law of the Sea the claims and demands presented by the FINAL NOTICE OF
60 COMMERCIAL AND ADMINISTRATIVE DEFAULT dated February 3, 2014 are decided and
61 are now in permanent settlement. They stand as **fact** in law.

Final Judgment and Civil Orders

62 Notice of the *Motu Proprio* issued by Pope Francis acting as Trustee of the Global Estate Trust
63 on July 11, 2013, has been presented to all directly interested parties in Alaska via ancient Edict
64 of Notice: Notice to Principals is Notice to Agents and Notice to Agents is Notice to Principals.
65 The United States of America (Minor) and the Federal Reserve Banks dba the United States of
66 America, Inc. and the United Nations City State and its agency the International Monetary Fund,
67 (IMF) dba UNITED STATES, INC. and its STATE OF ALASKA franchise are commanded and
68 required under contract to the Global Estate Trust to perform according to The Constitution for
69 the united States of America and to cease and desist action against the American people and the
70 organic American states, including Alaskans and the Alaska State created by The Alaska
71 Statehood Compact.

72 The Alaska Bar Association, its members, the various Court Administrators, and the Alaska
73 Judicial Council have been similarly notified and ordered to cease and desist practices,
74 presumptions, and procedures which serve to defraud living Americans and lay false claims
75 against their private property assets under pretense of war and color of law.

76 The entities addressed under FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE
77 DEFAULT dated February 3, 2014 are all competent to recognize their culpability and failure to
78 perform under commercial service contract, failure to honor the national and state trust
79 indentures, and failure to provide full and free disclosure of contracts solicited by the named
80 governmental services corporations and agencies cited for default.

81 **Absent a fully disclosed and actual maritime contract entered in evidence and subjected by**
82 **the court to examination and open discussion, no valid contract can be presumed to exist**
83 **and no American ESTATE or other vessel can be prosecuted under any maritime or**
84 **admiralty jurisdiction.** No contract based on unilateral, uninformed, undisclosed, or otherwise
85 prejudicial claims of residency, benefit, status, license, mortgage, or other contract lacking true
86 equitable consideration and consent can be maintained with regard to the ESTATES of American
87 Nationals who are living inhabitants of the land and air jurisdictions of the Global Estate Trust,
88 and not naturally subject to the jurisdiction of the sea.

89 All such American Nationals who are inhabitants of the land and their ESTATES are
90 additionally protected by treaty and national trust and are owed safe conduct for themselves and
91 their commercial vessels on the High Seas and Navigable Inland Waterways. For military
92 tribunal purposes, all American Nationals, American 'persons', and commercial vessels are non-
93 combatant civilian Third Parties.

94 All Provost Marshals, all members of the civilian police forces, all members of the American
95 military, all members of STATE operated National Guard units, all members of government
96 agencies including the U.S. Marshals Service, FBI, State Troopers, BLM, BATF, IRS, and other
97 code enforcement agents are ordered to recognize the civil authority of the organic 50 states
98 created by Statehood Compacts and united under The Articles of Confederation, and to also
99 recognize the absolute civil authority of the American people inhabiting these organic and
100 geographically described states in all matters pertaining to them and the administration of their
101 domestic government on the land known as The United States of America (Major), not to be
102 confused with the United States of America (Minor) which is a foreign, maritime entity under
103 commercial contract to provide governmental services for The United States of America (Major).

Final Judgment and Civil Orders

104 All police and military officers are obligated to honor the **Law of the Land** in all dealings with
105 or pertaining to the organic states and their living inhabitants without exception, noting that these
106 people and states are owed the terms and conditions of the original equity contract known as The
107 Constitution for the united States of America, are to be addressed under **American Common**
108 **Law** exclusively, and that they retain their natural and unalienable rights, including their **natural**
109 **identity, property rights and controlling interests** without prejudice and regardless of fraud
110 and monopoly inducement practiced against them in breach of trust and contract default.

111 All actions of the various Probate Courts operating in maritime jurisdictions and merely
112 presuming death based upon the inaction of American National beneficiaries of the American
113 Republic and serving to establish maritime salvage liens against their ESTATES are by these
114 Orders invalidated, made null and void. All American Nationals whose names and ESTATES
115 are presently included on tax rolls, and who are recorded by census data, school records, birth
116 certificates, and other public documents **must be presumed to be alive and competent** in the
117 absence of a properly **sworn** Death Certificate signed by the local Coroner stating cause of death,
118 date, time, and place, corroborated by at least two responsible and knowledgeable living
119 witnesses. In the case of legitimately missing people diligent search and fully disclosed
120 publication of all claims against their estates must be made by giving Notice to the last known
121 address and next of kin. Any contrary presumption or practice is fraudulent, null and void.

122 Any action of the Probate Courts operating in maritime jurisdictions and making claim upon
123 actual real assets of similarly named American Nationals in behalf of legal fiction “missing
124 persons” owned by the United States of America, Inc., UNITED STATES, FEDERAL
125 RESERVE, or any franchises or agencies thereof, are similarly rendered null and void. Once
126 created legal fictions do not have any necessary or valid estate; such estate as they may
127 legitimately be granted must be obtained under conditions of fully revealed and disclosed
128 contract entered into voluntarily and with explicit individual understanding and consent. Any
129 estate obtained by legal fiction entities by process of semantic deceit or undisclosed contract
130 belongs in fact and law to those defrauded. These Civil Orders command and require the return
131 of all titles to land, homes, properties, and businesses which have been held under color of law
132 by the Federal Reserve doing business as the United States of America, Inc., and their
133 bankruptcy Trustee, the Secretary of the Treasury of Puerto Rico, and their administrative agents,
134 including the Custodian of Alien Property and the Comptroller General.

135 All separate registrations under the Sheppard Towner Act and the Selective Service Act of
136 American Nationals and their progeny by agents of the United States of America (Minor) dba the
137 United States of America, Inc. and its various State franchises and subsequently maintained by
138 STATE franchises of the United Nations and the International Monetary Fund, are invalid as a
139 class for anything but traditional recording purposes and the benefit of any securities based in
140 whole or in part upon these and any other involuntary or undisclosed registrations such as
141 “Vehicle Registrations” are **private property** benefiting the individual American Nationals who
142 are the **lawful entitlement holders** of all commercial vessels operated under their given names
143 by any corporation providing governmental services, **including banks**. All vessels in commerce
144 operated under the names of American Nationals are owed full treaty and trusteeship obligations

145 from the United States of America (Minor) and the United Nations and all franchises and
146 agencies which these nation states operate worldwide.

147 These Civil Orders command performance delivering unto Caesar upon the land, including
148 return of all real assets and property owed to American Nationals free of claim, debt, and
149 encumbrance created under conditions of fraud, breach of trust, and breach of commercial
150 contract.

151 All judges, attorneys, clerks, and other employees of incorporated courts and court systems,
152 together with the international banks employing them, who have knowingly failed to fully and
153 freely disclose their nature, identity, status, jurisdiction, standing, and venue are subject to
154 international criminal prosecution for felony fraud under full commercial liability and officers of
155 the law and military officers who enforce illegal actions ordered by these in-house international
156 commercial tribunals against American Nationals at the request of any such “court” are
157 responsible for war crimes committed against non-combatant civilians as of September 1, 2013.

158 All politicians and Trust Management Organization employees acting directly or via franchise or
159 agency who have been elected or appointed to private corporate offices within governmental
160 service corporations, their franchises, or agencies, and who have knowingly pretended to occupy
161 public offices of the American organic states and who have transgressed beyond their limited and
162 private authority are **fully liable** for impersonating American public officials while acting as
163 private corporate officers.

164 All federal and federal franchise (“State” and “STATE”) employees who have **willfully** and
165 **knowingly** conspired to misinform, mislead, mortgage, indebt, extort credit from and otherwise
166 undermine the material interests of American Nationals via non-disclosure, fraud, racketeering,
167 force of arms, extortion, compulsion, semantic deceit and constructive unlawful conversion are
168 guilty of international war crimes against unarmed and non-combatant civilian inhabitants of the
169 land and against commercial vessels belonging by birthright and copyright to those inhabitants.

170 The United States of America (Minor) and the city-state of Westminster and its franchises,
171 employees, and agents, are ordered to comply with all stipulations and limitations required by the
172 original equity contract known as “The Constitution for the united States of America” when
173 addressing American Nationals, and when providing any and all government services to
174 American Nationals inhabiting the land of the domestic geographically defined 50 states. They
175 are likewise commanded to release all titles and claims held under color of law against the
176 ESTATES of the American states and the American Nationals inhabiting the organic states of the
177 Union. All incorporated governmental services organizations must immediately cease all action
178 against the material interests of their employers and creditors, the American states and people,
179 and settle all accounts.

180 There are no so-called “war powers” allowed to any member of Congress representing The
181 United States of America (Major), which has remained at peace since 1865. Likewise, there are
182 no “emergency powers” granted by any of the organic states, no indefinite detainment provisions
183 applicable to any American National under the National Defense Authorization Act 2012 or any
184 similar “Act” of Congress. All “Acts of Congress” undertaken without full commercial liability
185 and not fully enacted as Public Law apply only to the employees and citizens of the United

187 States of America (Minor) against any inhabitant of the land of the 50 states can be maintained
188 on the basis of undisclosed, unilateral, or second party contract or presumption in violation of the
189 actual American Public Law governing US citizenship, US Statute at Large 2.

190 Any deliberate or systematic use of the given name of any living individual man or woman by
191 **any incorporated entity pretending to represent them or their material interests** to create
192 legal fiction entities operated under-in-or for their name without the full knowledge and consent
193 of that individual is a **prohibited abuse of the rights of usufruct**. All such acts, proposals,
194 programs, and agencies created by the United Nations and by the United States of America
195 (Minor) addressed to American Nationals seeking to conscript, obligate, indebt, misinform, or
196 entrap them into any contract whatsoever in which the identity and true nature of the Parties is
197 obscured, not in kind, or wherein the actual terms, claims, conditions, and results of contract are
198 not made explicit, plain, and fully revealed are null and void *ab initio*, as if they never were. All
199 representations serving to misappropriate the good faith and credit of American Nationals and
200 their organic states in favor of any incorporated entity are self-interested, null and void. All
201 registrations, licenses, application processes, and similar devices used by the Federal Reserve
202 dba United States of America, Inc. and International Monetary Fund dba UNITED STATES and
203 the FEDERAL RESERVE now operating as an entity incorporated under United Nations
204 auspices, and their various agencies and “state” franchises, are fraudulent, null and void, contrary
205 to Public Law of the United States of America (Major) and the individual free states.

206 **Any undeclared agent of the United States of America (Minor) or the United Nations**
207 **caught soliciting such contracts will be arrested, prosecuted, and deported and no further**
208 **enforcement of such contracts will be allowed on the soil of the United States of America**

214 **public employee retirement benefits.**

215 Parents are not enabled to indebt, pledge, conscript, or otherwise enter their children into any
216 form of bondage, debt, peonage, or enslavement. Any and all relinquishments of individual or
217 parental rights must be voluntary, fully disclosed, completely enumerated, fully discussed, and
218 the real natures and actual identities of all parties to any custodial, commercial, or grant contract
219 of any kind whatsoever, like any agency appointment, must in **all** details be fully revealed and
220 disclosed, explicitly discussed, explicitly agreed upon, and voluntarily entered into by all parties.
221 Any contracts failing these requirements and merely being presumed to exist via tacit
222 agreements, third party representations, or presumed benefit are null and void.

223 These Civil Orders require that all law enforcement and military officers currently in the
224 employment of the United States of America (Minor), the city-state of Westminster, and the
225 United Nations, together with their commercial companies under contract to provide services
226 within the 50 states United be fully and freely informed of these facts and the limitations that are

228 considered non-combatant Third Parties without exception, who are owed peace and protection
229 and performance upon all commercial contracts, treaties, trust indentures, and agreements
230 entered into with the Global Estate Trust and its members, franchises, and agencies.

231
232 These Civil Orders also require that corporate administrative tribunals being operated as courts
233 of any kind explicitly and fully declare their identities, natures, venues, services, ownerships, and
234 proper jurisdiction in plain, explicit, fully revealed language with no further purpose of evasion,
235 obstruction, or lack of good faith service. They are additionally commanded to scrupulously
236 observe their limitations and to clearly state their foreign jurisdictions whenever addressing
237 American Nationals.

238
239 These Civil Orders come without the United States of America (Minor), without the United

ANSWERS TO QUESTIONS

266

1. What does the Pope, the Holy See, and the Vatican have to do with anything?

267

268

269

270

271

272

273

274

All forms of law beginning with Ecclesiastical Law and including the ancient Law Merchant and Law of the Sea, the Roman Civil Law, and most recently, the Uniform Commercial Code and International Criminal Code are ultimately defined by the Holy See and administered by the Roman Curia, under the Trusteeship of the Pope. Control and caretaking of the earlier law forms was undertaken by the Holy See during the First Holy Roman Empire (800 A.D.) and by contract and consent, has remained in the Holy See's control ever since. The two more recent law forms, the Uniform Commercial Code and the International Criminal Code are copyrighted by Vatican subsidiaries.

277

278

279

The Papacy has functioned in two distinct roles for over 1200 years, exercising both sacred and temporal powers. The Pope is named in two distinct offices and wears two different hats. As the leader of the Church and in sacred office, he is properly regarded as "His Holiness Pope Francis". As the CEO in charge of worldwide commercial affairs executing the temporal powers of the second office, he operates as "FRANCISCUS".

285

286

287

288

The duties of both offices are distinct and yet ultimately inter-related, due to the Pope's responsibility to oversee the Global Estate Trust. Since the 1400's (see Primary Source Reading List) every Pope has acted as the ultimate Trustee and Steward of the entire Earth conceived as a Trust: the Global Estate Trust. This Trust, which was created over 400 years ago, is divided into three jurisdictions---Air, Land, and Sea. All three are further divided into realms of the Living and the Dead---the living being actual flesh and blood men and women and animals and other creatures in which the blood flows or sap ascends, the dead being all those organic entities who have died and all legal fiction entities, including trusts, corporations, foundations, transmitting utilities, cooperatives, limited liability partnerships and so on.

289

290

291

292

293

294

The Air Jurisdiction remains with the Holy See, is universal, **global**, and inclusive in nature regardless of individual religious preferences or beliefs, rules all affairs from the surface of the Earth to the Heavens, is inhabited by spiritual beings both living and dead, has a global population, functions under the Law of Love and the Ancient Law of Freewill and is administered via ecclesiastical canon law generally under direction of the Rectors of the National Shrines established in each country.

295

296

297

298

299

300

301

The Sea Jurisdiction is international in character, has an **international** citizenship, rules all affairs on or directly below the surface of the seas and navigable inland waters, is inhabited by living men and women known as Merchants and Sailors, and all living sea creatures, as well as all ships and legal fiction entities engaged in maritime and admiralty businesses and contracts, functions under the Law Merchant (maritime) and Law of the Sea (admiralty) and is administered worldwide by the British Crown Temple dba Inner City of London aka "Westminster", and the Lords of the Sea.

Final Judgment and Civil Orders

302 **The Land Jurisdiction** is **national** in character, is inhabited by living men and women,
303 together with land creatures and plants, has a citizenship based on nationality and which in most
304 instances includes both the living men and women and legal fiction entities, rules affairs of the
305 land from the surface to the depths beneath, functions under The Law of the Land, and is
306 administered worldwide by the Universal Postal Union and the individual national Postmasters.

307 Each jurisdiction—Air, Land, or Sea---has its own law forms. The Air functions under
308 ecclesiastical and canon law. The Sea functions under the Law Merchant and Law of the Sea.
309 The land functions under the Law of the Land.

310 This is the Big Picture, and in the end, it is all administered by the Holy See and the
311 Roman Catholic Church, which has struggled by turns to maintain an “orderly and peaceful
312 Kingdom on Earth” and at times through its history has admittedly been overwhelmed by
313 corruption and human error.

314 By its nature and function the Global Estate Trust has established a vast **interlocking**
315 **trust directorate** that exists worldwide and extends from the Holy See down to the local level of
316 government administration.

317 A trust is formed when a **Donor** places assets into the care of a **Trustee** for the good of
318 **Beneficiaries**. In forming the Global Estate Trust it was considered that Christ placed the entire
319 planet in the care of St. Peter, that the Pope is Peter’s successor Trustee, and over time it has
320 been realized that all people and living creatures are intended Beneficiaries of the Global Estate
321 Trust, not just members of the Roman Catholic Church. This realization is one of the most direct
322 results of the Protestant Reformation, which asserted individual dominion over the Earth as
323 granted in Genesis 1:26-28. Today, as confirmed by Popes John Paul II, Benedict XVI, and
324 Francis, the Global Estate Trust serves all people regardless of faith, color, or creed.

325 **2. How does the Global Estate Trust function? Why haven’t I heard of it before?**

326 The Global Estate Trust is over 400 years old. It was older than The United States of
327 America is today when The United States of America was formed. It has organized the entire
328 planet according to its system of postal districts---also called “federal districts” in America. The
329 Global Estate Trust and the services it provides----legal services, banking services, police
330 services, postal services---is so ubiquitous, so integrated worldwide, that we take its existence for
331 granted and wrongly think that our individual government provides all this.

332 The truth is that the so-called “federal government” in America has always been owned
333 and operated as a private for-profit governmental services company **operating under contract**
334 **to provide certain stipulated governmental services**, and---later in history, has been operated
335 as an umbrella corporation with subsidiaries created as franchises and agencies under subcontract
336 to provide these same services by the Global Estate Trust and its national subsidiaries.

337 **Side Note:** In the eighteenth century when the original equity contract known as “The
338 Constitution for the united States” was drawn up, the word “federal” was a synonym for
339 “contract”, so the nature of the government as an entity under contract to provide services was
340 apparent to the people. The state legislatures formed to represent the land jurisdiction as separate
341 nations ---the larger equivalent of city-states----and the people inhabiting these organic states

Final Judgment and Civil Orders

342 were clearly aware of the subservient nature of the federal government in all matters not clearly
343 delegated to it as were the Founders and Framers of the Constitution. Article X clearly reserves
344 all other rights to the states and the people.

345 In summary, our entire planet receives governmental services from one gigantic
346 interlocking trust directorate: the Global Estate Trust. The gentleness with which generations of
347 Popes have exercised their power as the ultimate Trustee should not be mistaken for lack of
348 power, but rather as respect for Free Will and reluctance to interfere with those entrusted to
349 administer their own affairs. In the temporal realm a Pope is a man like any other man, and it is
350 often difficult to obtain all the facts and to be assured of right action. Restraint and tolerance
351 have therefore been the hallmarks governing the exercise of temporal power by the Popes for
352 many decades, but we are now entered upon a time when corruption and criminality have so far
353 progressed among many governmental service corporations worldwide that maintaining the role
354 of global trustee has required action by the Pope and the Holy See.

355 Over time, specialized service centers organized as separate city-states have taken over
356 specific aspects of the operations of the Global Estate Trust. This so-called “Empire of the City”
357 spans the globe. Rome and Vatican City remain the home base of operations responsible for
358 overall administration worldwide. The Inner City of London, also known as “Westminster”, is a
359 separate, independent, international city-state within London and it is home to the Crown Temple
360 which administers legal services and is also home to the Fleet Street hub of international banking
361 services. The District of Columbia, another city-state, is the center of defense and police
362 services worldwide. The United Nations, yet another separate independent city-state, is the hub
363 of international trade, aid, and negotiations.

364 Over the course of time, delivery of these many services has been organized by separate
365 for-profit corporations and organizations operating in each country under the auspices of an
366 umbrella Trust Management Organization functioning as the national government. Almost all
367 national governments have been incorporated by the Holy See. The American national
368 government is no exception.

369 The Pope acting in his temporal office and the Holy See and its administrative
370 management arms--- the Vatican, the Roman Curia, the British Crown, the Crown Temple, the
371 United Nations, the Pentagon, the Vatican Bank, the Universal Postal Union and a great many
372 other Global Estate Trust franchises and subsidiaries---provide nearly all governmental services
373 worldwide, in addition to their roles administering various obligations owed to the many national
374 trusts.

375 **The Global Estate Trust is by far the largest corporate enterprise on Earth.** Indeed,
376 the very concept of “incorporation” was created by the Holy See and incorporated entities
377 continue to be created and administered entirely under copyrights and administrative law forms
378 of the Roman Curia. The Pope has the undisputed right to liquidate any incorporated entity that
379 is not functioning lawfully and according to its charter. He may also order disposition of
380 corporate assets to the creditors of any incorporated entity that he liquidates, and can alter or
381 void any statute passed by any incorporated government at will.

Final Judgment and Civil Orders

382 People don't see the Global Estate Trust in the same way that they don't see the Earth
383 beneath their feet. It has always been there. They take it for granted as part of the landscape of
384 the world, but in fact, it is the result of tireless, conscious, determined effort expended over
385 centuries of time. There is, in essence, "one world government" and it has been here throughout
386 the development of the North American Continent as a commercial and political power, from the
387 earliest exploration and colonization down to the present day.

388 3. What is a "national trust" and why does it matter?

389 When a new nation is born and enters the international community as The United States
390 of America did in 1776, a contest begins over representation of the land and its assets. Once
391 such a contest is resolved, the Pope, acting within his temporal office is the Donor of all the
392 assets to be held in the national trust being established, formally recognizes the new nation. As a
393 first step in this process, a postal district is established and a post office is created for the seat of
394 government. Benjamin Franklin accomplished this step more than twenty years prior to the
395 American Revolution.

396 There are four very commonly encountered entities that routinely call themselves either
397 "the United States" or the "United States of America" in some guise, three "Constitutions" of
398 these entities that are commonly referred to, and three versions of "United States Congress" in
399 play. In all, there are over 350 different legally recognized meanings of the four words "united
400 states of America" so it is necessary to draw a line and focus for a moment on only two of these
401 entities---those representing actual national trusts. **There is The United States of America
402 (Major) that represents the now-50 American states acting in perpetual union guaranteed
403 by The Articles of Confederation, and there is the United States of America (Minor) that
404 consists of the District of Columbia and "other insular states"---Guam, Puerto Rico,
405 American Samoa, et alia.**

406 To add to the confusion, in addition to these trust-based entities, we also have an
407 incorporated commercial company doing business as the United States of America, Inc., another
408 commercial company doing business as the UNITED STATES, INC., and additional entities
409 doing business as the USA, the UNITED STATES OF AMERICA, E PLURIBUS UNUM THE
410 UNITED STATES OF AMERICA and so on. Be aware of the semantic confusions and deceptions
411 that abound as a result. **Note the slight differences in names---capitalization, punctuation,
412 and prepositions used throughout this document. Each slightly different name or spelling
413 or punctuation denotes a separate legal entity.** Boldface is used herein merely to help sort out
414 some of these natural confusions and emphasize important points of interest.

415 We have **The** US Trust (Major) and **the** US Trust (Minor)---both---which are both
416 subsidiary national level trusts within the Global Estate Trust, both operating in tandem in the
417 region of North America. The "states" of the United States of America (Minor) are "states of
418 America" in the same sense that South American countries are "states of America", e.g.,
419 Organization of American States is an organization of what are commonly thought of as nations,
420 but which can equally be called "states" and also "American states" without implying that they
421 are "states" affiliated with The United States of America (Major) or the United States of America
422 (Minor).

Final Judgment and Civil Orders

423 When **The** US Trust Major was established to benefit **The** United States of America
424 composed of the now-50 organic states united, the beneficiaries named were the American
425 people and their natural and unalienable rights were recognized as assets protected by the
426 national trust indenture contained within the Preamble and Bill of Rights of an original equity
427 contract known as “**The Constitution for the united States of America**”.

428 All inhabitants of **organic, geographically defined states** are living men and women.
429 They are all owed American Common Law as their law form. The entire civil government **on**
430 **the land** is vested in each and every single one of them. The jurisdiction of the Air protects
431 them and their property and interfaces with the governments operating upon the land jurisdiction
432 to ensure proper administration.

433 The governmental services required by the original Constitution were provided by a Trust
434 Management Organization operated as a private, for-profit, but **unincorporated** company known
435 simply as “The United States”, which was organized by the Founding Fathers, especially
436 Benjamin Franklin, John Adams, Thomas Jefferson, James Madison, Alexander Hamilton,
437 Benedict Arnold, and George Washington.

438
439 “The Company” was organized in 1754 by Benjamin Franklin. George Washington was
440 its eleventh President. As the largest land owner in North America, Washington was an obvious
441 choice. The foremost objective of this commercial entity, which was privately fully supported
442 by King George III of England, was the westward expansion of colonization beyond the
443 Appalachian Mountains---in contravention of the Treaty of the Delawares which the King had
444 signed with the Native nations just prior to the American Revolution. From this perspective and
445 from the subsequent settlements reached with the leaders of the Revolution it can be reasonably
446 deduced that the entire operation was conceived, orchestrated, and carried out with the support of
447 European powers merely interested in securing a piece of the much larger pie guaranteed by the
448 westward expansion that was allowed via the artifice of establishing a new government. Portraits
449 of both Washington and Franklin enshrined at the Middle Temple enclave in the Inner City of
450 London suggest that they were in fact operatives of the Crown doing King George’s dirty work--
451 ---a fact evident in the Treaty of Paris wherein the King is recognized as “the Prince” of the
452 United States of America, paid tribute in mineral resources, and guaranteed a perpetual
453 hegemony governing the commercial and international affairs of the Americans.

454
455 Presidents and members of Congress still take their Oath to “the United States”, not the
456 United States **of America**----howbeit, this is a different company called by the same-sounding
457 name --“the UNITED STATES”. This gives rise to confusion in the same way that two men
458 called “John” may be mistaken for each other. Watch for this same use of “mistaken identity” as
459 an excuse for fraud and despotism throughout the current system.

460 The Office of President is and always was a private business executive office, not a
461 political one, and as a result, to this day, the President is elected to office by a privately drafted
462 Electoral College, not by voters in any General Election.

463 The original unincorporated Trust Management Organization first operated by President
464 George Washington was bankrupted by President Abraham Lincoln on April 24, 1863, as a result

Final Judgment and Civil Orders

465 of the cost of the Civil War. Eleven years of “Reconstruction”---- also known as bankruptcy
466 reorganization--- followed, and a quiet usurpation based on semantic deceit and not-so veiled
467 fraud commenced. Administration of the American national trust passed on to a new Trust
468 Management Organization operated by a cartel of international banks (which became the Federal
469 Reserve) as “the United States of America” and doing business as “the United States of America,
470 Inc.”.

471 For insight into this, read the 1850 Act of Admissions which clearly delineates the role
472 and identity of the original organic and unincorporated “usa” verses the United States, and the
473 difference between the similarly named trust organizations and the commercial service
474 companies. Also read the Reconstruction Act of 1867 and the Act of 1871 incorporating a
475 municipal (city-state) government for the District of Columbia.

476 When the second national trust known as “**the US Trust**” was formed to benefit the new
477 District of Columbia city-state in 1871, the beneficiaries named were **not** “We, the People” of
478 the original national trust, but a mix of living people born in the District of Columbia and other
479 federal enclaves including Puerto Rico, American Negroes who were never granted other
480 citizenship after the Civil War, federal employees, members of the active duty military forces,
481 and **incorporated entities** formed under the auspices of “the United States of America (Minor)”.

482 Unlike The United States of America (Major), the United States of America (Minor)
483 allows corporations organized under its auspices to be “citizens”, a fact that has led to no end of
484 fraud and criminality.

485 All “US citizens” have only “Civil Rights” –that is, privileges---granted by “the **US**
486 **Congress**”. This **separate national entity** initially operated its business affairs as “United
487 States of America, Inc.” – a corporation chartered in Delaware, under By-Laws published as **the**
488 **Constitution of the United States of America**. Note the differences in capitalization and the use
489 of the preposition “of” in place of “for” which distinguishes this version of “Constitution” as a
490 separate legal document from the original equity contract known as The Constitution for the
491 united States of America. The agents of the United States of America (Minor) also popularized
492 “The Pledge of Allegiance” as a means of providing tacit public notice and securing assumed
493 consent for its actions without, however, fully disclosing its nature and intentions or the process
494 of usurpation against The United States of America (Major) it engaged in.

495 Please note the actual words of The Pledge of Allegiance: “I (securing a claim of
496 individual consent) pledge (an ancient feudal act) allegiance (contract) to the United States of
497 America (which version is only indicated by the lack of capitalization on the word “the”) and to
498 the Republic (original organic states’ government) for which it stands, one nation, under God,
499 indivisible, with liberty and justice for all.”

500 Note that there hasn’t been “one nation” since 1871. There have been two nations
501 operating under two separate administrative protocols and two national trusts, but it has been the
502 subversive objective of Congress to join both into one entity and operate it as an oligarchy, just
503 as the Congress currently operates the United States of America (Minor) as an oligarchy.

Final Judgment and Civil Orders

504 The Pledge of Allegiance--- an innocuous-appearing mantra endlessly repeated in public
505 schools and public meetings across America is a VERBAL CONTRACT secretly obligating the
506 victims to accept representation of their Republic by “the United States of America” which failed
507 to properly identify itself or seek open consent and which merely claimed to “stand for” the
508 American Republic.

509 The Pledge of Allegiance is an undisclosed **entrapment into contract** ceding authority
510 to represent the individual inhabitants and the American Republic to “the United States of
511 America” similar to what happens when an unwary individual hires a lawyer to “represent” them
512 and “stand for” them in a court. **The representative gains a largely unaccountable controlling**
513 **interest in the affairs of their actual employer who is relegated to the status of a ward of the**
514 **state, incompetent, or dependent.**

515 As a result of this semantic deceit and duplicity, no valid new contract between the
516 organic American states and the United States of America (Minor) was ever established. The
517 “Constitution of the United States of America” remains a document peculiar to the United States
518 of America (Minor), not to be confused with the original equity contract known as The
519 Constitution for the united States of America.

520 At the beginning of last century there were two completely separate versions of “United
521 States of America” operating and two kinds of “US (C)itizens” and two “Constitutions” and the
522 “US Congress” was acting in two roles in conflict of interest. The original Constitution known
523 as “**The Constitution for the united States of America**” and the By-Laws of the newly formed
524 federal corporation known as “**the Constitution of the United States of America**” formed under
525 the auspices of the United States of America (Minor). **All this semantic deceit was and is**
526 **extremely complex and deliberately designed to defraud and confuse.**

527 A separation of the Land and Sea jurisdictions was set up from the very founding of **The**
528 United States of America and made part of the Treaty of Paris, Treaty of Westminster (with the
529 Inner City of London—a separate international City-State), Treaty of Ghent, et alia, however, it
530 was never envisioned that the District of Columbia would form a **separate** city-state and operate
531 a **separate national government under deceptively similar names**, simply by allowing
532 members of Congress to wear two hats and creating two kinds of “citizenship”.

533 **These two separate national trusts operated under deceptively similar names have**
534 **co-existed for almost 150 years, but the semantic deceit involved has resulted in endless**
535 **confusion, fraud, breach of trust, and ultimately, identity theft practiced by the United**
536 **States of America (Minor) against The United States of America (Major).** Additional insight
537 into this development of “two Americas” can be gained by reading the Insular Tariff Cases
538 (1900-1904) ---the most famous of which is Downes v. Bidwell.

539 The separate National Trusts create two separate nations--- **The** United States of America
540 (Major) which includes the 50 domestic States bound in perpetual union by The Articles of
541 Confederation (1781) and **the** United States of America (Minor) which represents the District of
542 Columbia (formally renamed the “State of New Columbia” in 1984) in union with the so-called

Final Judgment and Civil Orders

543 “Insular States” comprised of “federal possessions and territories”. The circumstance also
544 creates two kinds of citizen--- U.S. Citizens and US citizens as already noted.

545 The United States of America (Major) is a Republic composed geographically defined
546 states and inhabited by living men and women. These states (small “s”) are all formed by
547 Statehood Compacts. This version of United States of America functions under the Law of the
548 Land which is the American Common Law and the federal government---that is the Trust
549 Management Organization charged with protecting **The** U.S. Trust and providing the nineteen
550 stipulated governmental services under contract---- is restricted by The Constitution for the
551 united States of America.

552 Members of “The United States of America in Congress assembled” are obligated to
553 function under complete commercial liability and as a sovereign Body Politic, with the result that
554 no “Congress” has occupied these offices since 1865, and the further result that no substantive
555 and fully enacted Public Law affecting U.S. Citizens has been passed since then. The organic
556 states and the people inhabiting them have been silent since December of 1865, a circumstance
557 that unscrupulous individuals have used as an excuse to claim that the American government is
558 defunct---despite the fact that the actual civil government is embodied in each and every living
559 American.

560 As you will note upon reading the Admissions Act of 1850, the Congress operating as a
561 Body Politic is the “congress of the united states of america” operating as the “senate” and the
562 “house of representatives” directly representing the living American People and the Republic
563 states. When operating as the true representative government of The United States of America
564 (Major) the names of these political bodies are never capitalized. This is not a typographical
565 error or the result of quaint old language conventions. This is part of the language of law that
566 has existed since Roman times.

567 The United States of America (Minor) is a Commonwealth inhabited by “US citizens” – a
568 mix of living people and incorporated entities. This separate city-state is operated as an
569 oligarchy by the members of the “US Congress”. It functions entirely under the law forms of
570 international commerce (maritime) and Admiralty. The “US Congress” of the United States of
571 America (Minor) also operates as the Board of Trustees of the United States of America, Inc.,
572 and its members enjoy limited liability----with the result that they can only pass “Public Policy”,
573 not Public Law. Increasingly, this out-of-control oligarchy has functioned in a criminal,
574 despotic, irresponsible, and reckless manner, disrespecting its contractual obligations to The
575 United States of America (Major), misrepresenting itself “as” The United States of America
576 (Major), and facilitating numerous kinds of fraud, racketeering, and inland piracy against the
577 American People inhabiting the 50 States while pursuing increasingly violent and criminal
578 activities overseas---trading in drugs, prostitution, alcohol, arms, and other “federally controlled”
579 substances.

580 The national trusts—which are all donated by the Pope in his capacity as the Global
581 Estate Trustee--- are important because they define the assets of the nation and the beneficiaries
582 of the trust. **They also obligate specific parties to act as Trustees and to protect the nation**
583 **under trust indenture and contract.**

Final Judgment and Civil Orders

584 The Pope is the Ultimate Trustee and the Global Trustee of the Air Jurisdiction. The
585 Rector of the National Shrine is responsible for administration of this jurisdiction in the United
586 States of America (Minor), and is therefore responsible for holding their administrators
587 accountable. The British Monarch is our Trustee on the High Seas and Inland Waterways and is
588 directly accountable for protecting us and our commercial “vessels” in the international
589 jurisdiction where our rights and material interests have been violated. The U.S. Postmaster is
590 our Trustee on the Land, but owing to the corruption of the government already described, that
591 office was vacated and released. In correction, Pope Benedict XVI established a new Postmaster
592 Office to provide oversight for all of North America in 2010.

593 **4. You’ve charged that there is commercial and administrative default---why? What is** 594 **this bankruptcy you keep talking about?**

595 There are actually several bankruptcies involved, beginning with the bankruptcy of The
596 United States (Company) in April of 1863. That resulted in Abraham Lincoln creating the
597 Lieber Code, also known as General Order 100, and making the U.S. Army responsible for
598 safeguarding the nation’s money. The United States of America (Major) still operates under the
599 Lieber Code and despite no less than three (3) public declarations ending the Civil War by
600 President Andrew Johnson, the U.S. Army continues to control and administer the government of
601 the Republic. This is how we get offices containing military titles like Inspector **General**,
602 **Lieutenant** Governor, and US Postmaster **General**.

603 This is also why we have been kept in a constant state of “war”----at least on paper----
604 since 1860. Over time, public knowledge of the circumstance and the Lieber Code has faded,
605 leaving the U.S. Army to increasingly function without any oversight or restraint. Understanding
606 of their role as guardians of the Republic and the people has also faded within the ranks, until
607 today we are faced with the possibility of having the President of a foreign commercial
608 corporation ordering our own troops to fire on us. We may all thank God that the Holy See
609 remembers things long after others forget, and has the resources to remind the U.S. Army of its
610 real purpose and mission.

611 Next, there was the bankruptcy of the United States of America, **Inc.** in 1933, by
612 Executive Order of its President, Franklin Delano Roosevelt. The Creditors of this commercial
613 bankruptcy, the World Bank, IBRD, and Federal Reserve – (the IMF claims to represent **all**
614 creditors including the living Americans who were named the **priority creditors**)---appointed
615 the Secretary of the Treasury of Puerto Rico to act as the US Bankruptcy Trustee.

616 Still to come is the bankruptcy of the UNITED STATES (Incorporated), a French
617 commercial corporation named after the original “United States” bankrupted in 1863, and
618 formed to administer the governmental services contracts of the United States of America, Inc.
619 during its bankruptcy reorganization.

620 These bankruptcies of the Trust Management Organizations providing governmental
621 services to Americans have all been planned ----and they provide vast profit for the perpetrators
622 and equally great losses to the American people.

623 **The Great Bankruptcy Fraud**

Final Judgment and Civil Orders

624 **This is the essence of the bankruptcy fraud:** one Trust Management Organization
625 (incorporated) creates “franchises” named after individual living Americans, runs up huge bills
626 against these legal fiction entities, leaves the hapless living people of “similar name” to pay the
627 bills or have their credit wrecked and their private property assets seized----while skipping off
628 and filing for bankruptcy protection for itself.

629 Meanwhile, another incorporated Trust Management Organization sets up shop under a
630 similar name and takes over the service contracts “in behalf of” the former TMO undergoing
631 bankruptcy reorganization, creates its own set of franchises named after living Americans, runs
632 up huge bills against these separate legal fiction entities, leaves the hapless living people of
633 similar name to pay the bills or have their credit wrecked and their private property assets seized-
634 ---while skipping off and filing for bankruptcy protection for itself.

635 Repeat as necessary----for as long as you can get away with it.

636 The two Trust Management Organizations currently involved are both operated by
637 international banking cartels. The Federal Reserve, which is as “federal” as Federal Express,
638 operates the United States of America, Inc. The United Nations, Inc. doing business as the
639 International Monetary Fund, Inc. (IMF) operates the ”secondary” front organization doing
640 business as the UNITED STATES, INC.

641 As of July 1, 2013, the hapless American people mistaken as sureties---- and their Estates
642 functioning under names in the form “John Quincy Adams” ----paid off all the debts, all the
643 interest, all the trumped up service charges that were brought against them as a result of the
644 bankruptcy of the United States of America, Inc. in 1933. The United States of America, Inc.
645 was released from bankruptcy and all its debts were settled as of that date.

646 The Federal Reserve has meanwhile re-named and re-invented itself as a new corporation
647 organized under the auspices of the United Nations, a separate city-state, and is doing business
648 internationally as the FEDERAL RESERVE. That is, it is no longer an American institution and
649 is operating under UN rules and charter.

650 At the same time, the UNITED STATES, INC. is running up trillions of dollars of debt
651 against the credit of its own brand of manufactured out of thin air “sureties”---- Puerto Rican
652 ESTATE trusts operated under the NAMES of living Americans in the form “JOHN QUINCY
653 ADAMS”----with the clear intention of having Barack Obama declare bankruptcy just as FDR
654 declared bankruptcy---leaving the hapless living Americans of “similar name” to pay off the
655 trumped up debts of the UNITED STATES, INC. while it seeks bankruptcy protection in turn.

656 **The newly organized “FEDERAL RESERVE” is busily populating America with**
657 **yet another new set of “franchises”----these new legal fiction entities named after living**
658 **Americans are all being named in this form: “JOHN Q. ADAMS”, which isn’t even a legal,**
659 **identifiable name, and they are all transmitting utilities.**

660 When people pay bills addressed to these new entities and appear to “accept” these new
661 names – having been misled into assuming that these entities are the same as the living people---
662 the charlatans will have carte blanche to make a whole new con game set up for themselves, assert

Final Judgment and Civil Orders

663 new claims against the people and the states “redefined” as public transmitting utilities, and not
664 be bound by “specificity”.

665 Please note that “JOHN Q. PUBLIC” could be “JOHN QUINCY PUBLIC” or “JOHN
666 QUENTIN PUBLIC” or, or, or. The lawyers among us know perfectly well that “JOHN Q.
667 PUBLIC” is not a legal name. It is purely a commercial, trade-marked name belonging to a
668 corporation as chattel, and the reason this change is being attempted is that the IMF is no longer
669 able to charge off the cost of providing government services to the ESTATES of the American
670 People which were improperly held as “sureties” backing the debts of the United States of
671 America, Inc.---- a “doing business name” of the old Federal Reserve System.

672 **It is imperative that this scheme be recognized and stopped at the onset and that**
673 **these false claims by the FEDERAL RESERVE be objected to immediately, individually,**
674 **and collectively.**

675 Their intention is clear and the history is cast in cement. These Trust Management
676 Organizations have committed gross breach of trust, gross fiduciary malfeasance, gross unlawful
677 conversion, gross identity theft, gross conspiracy to defraud. They are international crime
678 syndicates in every sense of those words, and they are on the verge of repeating their past
679 history; like parasites, they have simply “moved on” to other hosts, passing from The United
680 States of America (Major) to the United States of America (Minor) and now to the United
681 Nations City-State.

682 The federal reserve, an **unincorporated** association of banks operating under the
683 auspices of **The United States of America (Major)** in 1900, moved on to become the **Federal**
684 **Reserve**, an **incorporated** association of banks operating under **the United States of America**
685 **(Minor) circa 1930**, and it is now moving on again, to function as the **FEDERAL RESERVE**,
686 an entity incorporated under the auspices of the **United Nations**, which is a separate,
687 independent, international city-state that has allowed the FEDERAL RESERVE to be
688 incorporated under its auspices.

689 The Pope, in issuing the *Motu Proprio* of July 11, 2013, has said in effect---- “Enough.
690 You are liable and will be held liable as of September 1, 2013.”

691 This continued identity theft and pillaging of private property “in the name of public
692 trusts” isn’t going to be allowed. The resources of the entire Global Estate Trust will be
693 mobilized to make sure that this pattern of abuse does not continue. Each and every one of you
694 addressed has participated knowingly or unknowingly in some capacity necessary to the success
695 of this gargantuan fraud and you are now being notified of the facts and encouraged to self-
696 correct.

697 It would not be right or fair to sweep up the innocent with the guilty, so you have all been
698 given multiple notices and opportunities to learn the facts. The Trust Management Organizations
699 themselves have been given three (3) years in which to correct their operations from top to
700 bottom or face dissolution of their charters and disposition of their assets. From the perspective
701 of the Global Estate Trust, it doesn’t matter where the ‘federal reserve’ banks run and hide or
702 under which national entity they choose to incorporate. The basic issues remain the same and

703 everyone on earth has a stake in bringing this system of fraud and enslavement to an end.
704 Everyone who works for or under the auspices of the Roman Curia---everyone in the legal
705 profession from the lowliest clerks to the highest judges---became 100% liable for their acts and
706 omissions with regard to these issues as of September 1, 2013.

707 All this is why we have brought FINAL NOTICE OF COMMERCIAL AND
708 ADMINISTRATIVE DEFAULT, and that is why we keep talking about bankruptcies. Unless
709 everyone recognizes their own culpability and takes action accordingly to pre-empt it, there will
710 be another manufactured “national” bankruptcy in the near future and billions of people
711 worldwide will suffer to profit a few hundred masterminds at the top of the pyramid scheme.

712 5. How is our money involved?

713 A partial answer was provided above. When the Trust Management Organization doing
714 business as the UNITED STATES declares bankruptcy the living people will again be
715 “presumed” to be sureties for its debts---absent concerted effort to derail the cycle of engineered
716 national bankruptcies. Those international investors who are owed money by the UNITED
717 STATES, INC. will come knocking on the doors of millions of Americans, under the false
718 presumption that these people agreed to stand as sureties for the debts of Harry Reid, Nancy
719 Pelosi, et alia, all doing business as the UNITED STATES, INC.

720 **This is constructive fraud based on semantic deceit and identity theft being carried**
721 **out by private, for-profit, largely foreign corporations operating on American soil under**
722 **charters and treaty arrangements that they have abundantly and criminally violated.**

723 Your currency---not your “money”--- is inevitably involved, because for eighty years you
724 have been passing around I.O.U.’s instead of any form of money. A “note” is an I.O. U. and a
725 “Federal Reserve Note” is an I.O.U. from the Federal Reserve Banks. **It is impossible to pay a**
726 **debt with an I.O.U. You can only go deeper into debt as a result of this practice.** A negative
727 plus a negative **never** equals a positive.

728 Here is the circumstance: you owe \$500 and you have no actual money to pay this debt.
729 The only “legal tender” in circulation is in the form of I.O.U. Notes issued by the Federal
730 Reserve Banks. Deliberately placed in this situation by the perpetrators of this fraud, Joe
731 Average American is under **monopoly inducement** and has no choice but to “pay” his debts
732 with I.O.U.’s, and thereby **become a debtor**, instead of a creditor.

733 **If I give you an I.O.U. as payment of a debt, have I paid you? No. I have only**
734 **postponed payment of my debt to a later time. That’s what the Federal Reserve has done--**
735 **-collected debt upon debt upon debt and never paid a dime toward any of it, since 1933.**

736 What happens when you go out and earn \$500.00 worth of Federal Reserve Notes? Your
737 labor allows you to pass off the debt to the Federal Reserve. You are out of the frying pan for
738 the moment, but **the debt is still unpaid**. That’s how the “National Debt” accumulates,
739 exponentially. In such a system, nobody ever gets paid for anything--- the debt just gets passed
740 around and builds up and up and up no matter how hard you work or how productive you may
741 be.

Final Judgment and Civil Orders

742 **Instead of being what you actually are, a nation of creditors, you are reduced by**
743 **sleight of hand and fraud and monopoly inducement to being debtors by definition, and**
744 **you can never get out of the cycle of false “debt” until you recognize the fraud for what it**
745 **is, stop playing the game, and put an end to it.**

746 What does the Federal Reserve do with all this debt it has been collecting for eighty
747 years? It enters it as **a credit for itself** against your estate. **Not only has your original debt**
748 **not been paid, but interest and service fees have been added to it, and that has all**
749 **accumulated against your estate—your body, your labor, your home, your business, your**
750 **copyrights and intellectual property.**

751 What happened to the value of your original labor that you expended to earn Federal
752 Reserve Notes? **It never got credited to you.** Instead, it was siphoned off by the same people
753 who brought you this incredible fraud. Your credit has been kept in “off book accounts”
754 belonging to YOUR NAME---a Puerto Rican Estate trust, and after a period of time, the banks
755 have claimed these assets as “abandoned funds”. They are holding the entire National Debt
756 against the estates of living Americans and pretending that you and your parents and
757 grandparents did nothing but sit on your rumps since 1933.

758 Every American who ever signed up for Social Security---having first been blatantly lied
759 to and coerced by undeclared Foreign Agents of the United States of America (Minor) and told
760 that Social Security was a retirement insurance program and that it was a mandatory requirement
761 of having a job in America---has been claimed to be an **unpaid volunteer employee** of the
762 “federal government” corporation by the perpetrators of this con game and therefore, a “US
763 citizen” instead of an American National.

764 Unknown to those same American Nationals, the corporations masquerading as their
765 lawful government used their “voluntary application” for “Social Security benefits” to obtain a
766 veiled general Power of Attorney hidden in the SS-5 Form, and used it to seize control of their
767 ESTATES. They then set up two accounts “in their names”----one administered by the Federal
768 Reserve’s Internal Revenue Service and one administered by the “IRS” for the International
769 Monetary Fund. One account is set up as the debt side account and follows the familiar pattern:
770 123-45-6789. The other account is set up as the credit side account and uses the same numbers
771 without hyphens: *123456789*.

772 Most American Nationals are owed several million dollars worth of credit owed to their
773 individual ESTATE accounts, but the perpetrators of the fraud never disclose this fact. The
774 “richest people on earth” live as debt slaves to international banking cartels that have obtained
775 this position by fraud.

776 The final cherry on top is that these same banking interests use your tax money to buy
777 million dollar life insurance policies on each and every “US citizen”---benefiting the bank, of
778 course. Thus, even at the end of your lives, the banks contrive to profit from you, and they
779 always have profit motive to kill you. Killing off young people brings more profit, which,
780 together with stealing and controlling natural resources to manipulate commodity markets,

Final Judgment and Civil Orders

781 explains why promoting wars for profit are favorite pastimes for these unspeakably corrupt and
782 evil corporate entities.

783 The same situation applies in Canada, Australia, New Zealand, and most of Europe. The
784 same nine digit accounting system is used throughout, and abused in the same ways worldwide.

785 6. What is convertible debt?

786 A **convertible debt is any form of debt that can be converted into another form of**
787 **debt.** Federal Reserve Notes can be converted into mortgages, stocks, bonds, annuities----any
788 other “debt instrument” or “debt based security”. **A fraudulent convertible debt is a debt that**
789 **is created by fraud and then converted.** That’s what we have going on in America right now.

790 **Pull up the Bankruptcy Act and look at Section 101 (11).** There you will see who the
791 actual Creditors of the Trust Management Company FDR bankrupted in 1933 are----the living
792 people, Americans at that time and their heirs, are the Priority Creditors and Entitlement
793 Holders, but because of the monopoly inducement explained in Item 5, you’ve all been
794 arbitrarily “redefined” as “debtors” instead.

795 What happens when you pay an electric bill addressed to the federal franchise ESTATE
796 trust currently doing business under your NAME as a franchise of the UNITED STATES, INC.?
797 You become a debtor instead of a creditor so long as you pay it in Federal Reserve Notes. The
798 utility company seizes these debt notes you’ve so graciously provided to them for free and
799 converts them into other forms of debt---buying up stocks, bonds, insurance policies, etc.----
800 benefiting itself.

801 The “debt” thus created is fraudulent on three counts--- first, it is the by-product of illegal
802 monopoly inducement forcing you to use Federal Reserve Notes as legal tender in the first place,
803 second, it is a debt owed by the federal franchise ESTATE trust doing business “in your name”
804 but deceitfully presented to you as if it were your debt, and third, you have been coerced to pay
805 off a billing “statement” instead of a real bill.

806 So we have a debt created by fraud converted into other forms of debt benefiting ---in this
807 example, a utility company which reinvests “your” Federal Reserve Notes in other forms of debt.
808 That is fraudulent convertible debt in practice.

809 **This is yet another way in which you are being defrauded and the value of your**
810 **labor and other resources is being converted to benefit incorporated entities at the expense**
811 **of you and your private estate.**

812 Next time you get a tax bill, a utility bill, a credit card bill or any other “bill” addressed to
813 YOUR NAME IN ALL CAPITAL LETTERS, look at it very closely with the understanding that
814 (1) the item is addressed to a Puerto Rican “federal franchise” ESTATE trust doing business in
815 your NAME, not to you; (2) the item is a “billing statement” or “billing summary” or some other
816 name, but never an actual Bill so technically, even the ESTATE has not been billed; (3) these
817 billing statements are not denominated in dollars---except occasionally by mistake----the
818 “amount owed” appears as a series of numbers, commas, and dots similar to that used to write

Final Judgment and Civil Orders

819 dollar amounts, but there is no dollar sign and no words indicating the kind or form of money or
820 currency that is supposedly owed.

821 For example, your property tax bill will show up addressed to YOUR NAME and the
822 statement will show that YOUR NAME owes a number written like this: 6,955.43 for 2013 or
823 that YOUR NAME'S house has a value of: 258,990.00 according to the Tax Assessor's Office.
824 **These are just deceptively constructed series of numbers, dots, and commas designed to**
825 **make you assume that these represent dollar amounts.** Again, technically, not even the
826 ESTATE has been billed for anything.

827 It's all constructive fraud based on semantic deceit, illusion, and processes of assumption
828 knowingly pursued under conditions of non-disclosure.

829 This is done on purpose, with malice aforethought. The perpetrators are giving you
830 notice that a bill related to the ESTATE named after you **exists**, but they are actually and
831 purposefully preventing you from paying it. If they sent a real Bill, you could either discharge it
832 through the U.S. Treasury Window at any Federal Reserve Bank, or, you could present it for
833 payment under UNCITRAL and exchange it against your Birth Certificate Bond or other assets
834 held by the US Bankruptcy Trustees in your name. This process of discharging debts, unlike
835 using Federal Reserve Notes, **actually pays the bill**, and since the entire game is about forcing
836 you to indebt yourself, the perpetrators spare no effort to prevent you from discharging the bills
837 related to **their** "federal" ESTATE trust.

838 **Another reason they refuse to provide you with an actual Bill is that what they are**
839 **doing is a crime.**

840 As long as they are sending these "billing statements" to a federal franchise ESTATE
841 trust, they technically can't be accused of billing **you**. As long as they don't provide you with an
842 actual Bill, they can't be accused of false billing, either. According to them, they don't know
843 what you are talking about. What bill? We never sent that man a bill...we sent a **billing**
844 **statement** addressed to a **Puerto Rican ESTATE trust** that "just happens" to have the same
845 name and address. Who cares if we fully intend to force and coerce the living man to pay us
846 with an I.O.U. and owe us even more debt after he "paid" than when he started?

847 **7. Are you telling me that I don't owe any taxes? How is that possible? It costs money to**
848 **provide governmental services. If I don't pay my taxes, how will the schools be funded and**
849 **the fire departments and libraries stay open?**

850 The fact is that **all** governmental services contracts are between states and other
851 incorporated entities, not states and people. **Technically, it's literally impossible for a living**
852 **man or woman to owe any tax for any governmental service.**

853 Remember that all valid contracts must be "in-kind". Corporations can contract only
854 with other corporations. Living people can contract only with other living people. The
855 proliferation of "trusts" has been used as a vehicle ---literally creating a "commercial vessel"
856 capable of interfacing with corporations and entering into corporate contracts. The creation of
857 these "individual public trusts" and their supposed obligations has been done **without** the

Final Judgment and Civil Orders

858 knowledge, consent, or participation of the living people merely upon the “representations” made
859 “in their behalf” by third parties claiming to “represent” them-----lawyers and unscrupulous
860 politicians.

861 Note that even the original equity contract known as The Constitution for the united
862 States of America is between the States and the government being created by contract to provide
863 the States with services—not the living people. We, the People, are only mentioned as the
864 **beneficiaries** of the Natural and Unalienable Rights that are assets held in the national trust and
865 further outlined and defined by the Bill of Rights. **We are not direct parties to this or any**
866 **other governmental services contract.**

867 As for how do governmental services get paid for? Your states are inestimably valuable
868 and properly administered, they contain vast material assets that can be utilized to generate
869 income more than sufficient to pay for all governmental services---and this is in fact what **all** the
870 states do. **They already generate more than enough income every year to pay for all**
871 **governmental services.** They simply keep track of their expenses and provide a “billing
872 statement” addressed to your ESTATE in hopes that you will step forward and “volunteer”-----
873 to pay a share of the expenses **for them**, so that their private, for-profit corporation is enabled to
874 operate without any expense and seize the entire profit from the sale and utilization and
875 investment of your organic state’s assets entirely for its own benefit.

876 If by chance your ESTATE fails to voluntarily cough up its share this year, they will
877 conveniently forget all the other labor and currency and value you have contributed in prior years
878 and also fail to mention all the money they made this year off of the “state” assets **you** are
879 supposed to be the beneficiary of. Alaskans should at this point take a moment to estimate their
880 actual share of revenue collected from the oil industry this year, versus the pittance offered as a
881 “Permanent Fund Dividend”. Now they should calculate their actual share of the Permanent
882 Fund Dividend as shareholders. And they should, if they are rational beings, be very, very upset
883 with those claiming to “represent” them and their interests.

884 After all, those who claim to “represent” you have taken seats as the officers of this same
885 foreign franchise for-profit “STATE” corporation and they see it as their duty to make sure that
886 corporation is as profitable as possible----so they justify attacking you, their employer, and
887 seizing your assets and telling you what to do and how to do it and when and how often----all in
888 the name of somehow ultimately benefiting you via entrapment, enslavement, armed extortion,
889 and fraud.

890 Every unit of “government” in America is not only in control of and profiting from the
891 use and misuse of vast “public” assets, they are rolling in the money and credit they have
892 extorted from the actual beneficiaries of the public trusts, then rolling some more in the money
893 and credit they have made from investing all this purloined largesse, and proliferating new and
894 ever-more numerous units of government and government agencies ----like a cancerous growth
895 soaking up the sugars of the Body Politic.

896 Every year the corporations running your federal, state, and municipal “government”
897 make so much more money than they expend on public services that the idea that taxation of
898 individual living men and women and their private property assets is “necessary” to fund public

Final Judgment and Civil Orders

899 services is laughable. Exactly how these criminally mismanaged corporations hide the loot so
900 that they can continue to “poor mouth” and impose more taxation will be addressed in answer to
901 other questions.

902 **8. Why are the courts at fault?**

903 In 1938 following a Supreme Court case known as Erie Railroad v. Thompkins
904 executives from the Roosevelt Administration called a meeting with the US Supreme Court
905 Justices, Senior Judges from all the Circuit and Appellate Courts, and the most prominent
906 lawyers of the times, and they told them a purposeful and self-interested lie. They said that the
907 United States of America was bankrupt---they just neglected to say which “United States of
908 America” and what form of “United States of America” they were talking about. They also told
909 the legal professionals that because of this bankruptcy, they were to operate their courts ONLY
910 in maritime jurisdictions. Verbatim: “We don’t care what you call it, but you can only run
911 maritime and admiralty courts.”

912 From that time to this, that is what the members of the American Bar Association have
913 done. They have run a fantastic gamut of “courts” pretending to operate as “state courts” and
914 “custody courts” and “US DISTRICT COURTS” and “Superior Courts” and on and on---and
915 pretended to operate courts at equity and under civil law, but the entire time they have operated
916 exclusively as maritime courts and as in-house corporate tribunals.

917 **The courts are at fault because they know they are routinely operating in**
918 **jurisdictions that have nothing to do with the cases before them.** They are at fault because
919 they know they are operating in maritime jurisdictions and pretending otherwise. They are at
920 fault because they have accepted unilateral contracts as “valid” maritime contracts. They are at
921 fault because they do not require proof of any valid maritime jurisdiction, even when called on
922 the carpet for failure to do so. The list goes on.

923 Why have the courts malfunctioned in this way and continued on this course for almost
924 eighty years? Part of it is ignorance. A great many American jurists have grown up under
925 these conditions and they don’t know that anything different ever existed. Many don’t know
926 that “statutory law” is maritime law and if the judges and lawyers don’t know, who does? Some
927 don’t even know that “statutory law” applies uniquely to statutory entities---legal fictions
928 created by statute.

929 The rest of the reason is pure graft and corruption for profit on the part of those who **do**
930 know what is going on.

931 “Federal” judges have issued standing orders to “invest” all court cases through the Court
932 Registry Investment System (CRIS) ---that is, to “deposit” them **as securities** into the Federal
933 Reserve Bank in Dallas, Texas.

934 **Every such court case is assigned a US Treasury Public Debt Number --- a Docket**
935 **Number in “State” courts and a Case Number in “US DISTRICT COURTS”. This makes**
936 **every court case a financial transaction and “securitizes” it.**

Final Judgment and Civil Orders

937 After the Public Debt Number is issued, which converts the court case into a counterfeit
938 obligation under 18 USC 472, et seq. 473, 474, the Court Administrator again counterfeits the
939 same debt obligation by adding a CUSIP number to the “Instrument”. One counterfeit
940 obligation benefits the Federal Reserve, the second one benefits the IMF.

941 CUSIP is an acronym for Committee on Uniform Securities Identification Procedures,
942 and a copyrighted and registered trademark of The American Bankers Association. The court
943 administrators work for the banks, not any “court system” unless you want to call it the Bank
944 Court, where the bank always wins.

945 At this point in the fraud, the “court administrator” working for the banks has converted
946 every court case into a banking financial securities instrument---which puts the court itself into
947 the position of being “creditor” and BOTH the plaintiff and the defendant are cast into the role of
948 “debtors”.

949 **The judges are acting with a vested interest with insider knowledge and they are**
950 **insider trading in complete and utter violation of the judicial canons.**

951 They cannot act without bias when the quantity and quality of their salaries, benefits, and
952 retirement packages are sitting in the docket every day awaiting their “investment”. Rather
953 than ruling on the merits, arguments, or even the facts, they are making financial investments in
954 every case---futures contracts, in a future they can direct.

955 **They are running a rigged gambling operation out of the courthouse, under the**
956 **noses of the Alaska State Troopers, the FBI, and the US Marshals, who all turn to these**
957 **icons of rectitude for “legal” advice instead of using their own noses and common sense to**
958 **determine what is lawful.**

959 The judges and court administrators are also committing tax fraud by shifting the “debt”
960 created by every case onto the individual(s) who are actually the Creditor(s) in every case, and
961 converting the case into an investment security belonging to the Dallas Federal Reserve Bank
962 instead, which in turn shifts the money from the Creditor side of the “transaction” into the
963 pockets of the Debtors. **They are deceptively laundering a fraudulent debt into corporate**
964 **assets belonging to the bank, and converting those assets into revenue sharing funneled**
965 **back to the Department of Transportation (Federal Reserve) or DEPARTMENT OF**
966 **TRANSPORTATION (IMF) franchises, respectively.**

967 So in addition to running a rigged gambling operation out of the courthouses, the courts
968 are also laundering vast amounts of fraudulently procured credit assets back into the operations
969 side of the two colluding Trust Management Organizations. A whopping percentage of the total
970 take from all this securities fraud goes into the judge’s retirement fund also administered by the
971 Dallas Federal Reserve Bank.

972 It is self-explanatory why the courts and their administrators are at fault for this entire
973 situation, that it is outrageous and not to be tolerated, and also why it must come to a halt and be
974 brought to a halt by those responsible for administration of these entities. Any jurist who values
975 his or her “law license” issued by an international banking cartel being operated as a criminal
976 syndicate more than he or she values the law deserves to be disbarred---and will be.

Final Judgment and Civil Orders

977 **9. In one of the demonstration cases you repeatedly made a great issue of whether or not**
978 **the Judge was acting as a trustee or not, and at one point even offered to appoint him**
979 **directly as your trustee. Why?**

980 I did this to determine and place on the record which “hat” he was wearing. According to
981 Section 3 of Article XIV of the Constitution of the United States of America--- the Federal
982 Reserve corporation dba United States of America, Inc. By-Laws ----all public employees are
983 trustees.

984 **The question of trusteeship is vital.** Public employees under both “The Constituton for
985 the united States of America” and “the Constitution of the United States of America” and all the
986 related subsidiary “State Constitutions” are openly declared and required to act as trustees and to
987 protect the respective National Trusts. It has been the erroneous practice of the UNITED
988 STATES, INC. and its STATE franchises to forget about its obligations in this respect, and to
989 concentrate entirely on the juicy federal services contracts it inherited during the bankruptcy
990 reorganization of the United States of America, Inc.

991 The “Constitution of the United States” (yet another separate Constitution) under which
992 the UNITED STATES, INC. was organized has no mention of trusteeship, but that doesn’t mean
993 the fiduciary obligations vanished simply because a successor Trust Management Organization
994 has tried to ignore them. It only means that judges who don’t admit to being trustees are
995 **admittedly** operating in the foreign international jurisdiction of the IMF organization.

996 This was already implied by the title block style of the header on the case, but settling the
997 Trustee matter forced the JUDGE to give up any pretension of *in personam* jurisdiction and to
998 reveal the actual venue of the proceedings, which he otherwise attempted to obscure.

999 Throughout that case the JUDGE took an active litigant’s stance and practiced law—
1000 liberally---from the bench, flagrantly acting in support of the bank’s attorney. Several times
1001 during the proceedings the Judge was observed smiling, winking, and nodding to her. Although
1002 we entered Special Appearance throughout and demanded proof of jurisdiction from the outset---
1003 and even though the bank’s attorney is required to prove jurisdiction beyond reasonable doubt by
1004 canon of law---she made no attempt to do so beyond a naked verbal assertion that the ESTATES
1005 “resided in Alaska”---which has no meaning in a verbal context, because it is impossible to
1006 determine which version of “Alaska” is being referenced.

1007 During the first Hearing, the JUDGE deliberately obscured the venue and jurisdiction of
1008 the court, claiming that his authority derived from “the de jure Constitution of the State of
1009 Alaska”----a document that doesn’t exist and **which would obligate him to act as our trustee** if
1010 it did. Soon after making this claim, the JUDGE made an excuse to leave the courtroom and
1011 formally change the jurisdiction of the proceedings under the pretense of getting copies of a
1012 document for us. This only served to move the in-house corporate tribunal to Special Admiralty.
1013 Nobody operating under judicial canon would engage in such deceitful behavior, nor would
1014 anyone operating an honest court have reason to engage in such arcane procedure.

1015 **By process of elimination, it stands that THE SUPERIOR DISTRICT COURT FOR**
1016 **THE STATE OF ALASKA, INC. was operating an agency-based “federal” debt collection**

Final Judgment and Civil Orders

1017 **procedure process against privately owned and operated international *inter vivos* trusts**
1018 **under the presumption that they were instead ESTATE franchises of the UNITED**
1019 **STATES, INC. operated in arrears by federal employees.** This was all set up and maintained
1020 in the face of open and un-rebutted objection, without jurisdiction, in the absence of any
1021 validated claim or authority whatsoever to address us, the living principals, beneficiaries of the
1022 ESTATES, and Priority Creditors.

1023 Part of the corruption of the courts is that they do not openly, freely, and honestly reveal
1024 the jurisdiction they are operating in at any given time, and do not discuss the presumptions---
1025 often far-fetched presumptions---they are operating under. In the demonstration case 3AN-12-
1026 6858CI the JUDGE claimed to be operating the court under the administrative auspices of the
1027 United States of America (Minor)'s local franchise, the State of Alaska, then used a subterfuge to
1028 change that declared jurisdiction to international maritime jurisdiction without disclosure. This
1029 sort of "bait and switch" artifice is inherently fraudulent and leads inevitably to self-interested
1030 and purposeful confusion at law.

1031 **10. Who are you? How do you know all this?**

1032 Our families have struggled with the administration of the Holy Roman Empire—and the
1033 Global Estate Trust---- in all its guises, for over a thousand years. There is no lie that a banker
1034 can utter that we haven't heard a dozen times before. There is no scam that a con artist can
1035 conceive that we haven't already dealt with.

1036 **Now, it's your turn.**

1037 We are tired of reading the entire list of Primary Source Documents and reference books
1038 included for your interest, plus hundreds more arcane documents detailing the attempts of Popes
1039 and Kings and Presidents and Congresses to do things both wonderful and horrible. This
1040 particular responsibility means becoming a lawyer whether you like law or not, becoming a
1041 banker whether you can stomach banking or not, becoming a historian even if history makes you
1042 gag, and becoming both a researcher and a journalist, because you have to keep up with the ever-
1043 changing game board that is the globe rotating under your feet.

1044 It means either being a wolf or a shepherd, because you cannot be a sheep after such an
1045 education. Francis is the last Pope we shall serve. We've been Good Shepherds for the innocent
1046 and helpless people of the world, but we might have been predators just as well. This is a matter
1047 of individual choice, and it bears consequences no matter what you do.

1048 For those who have a conscience and who prefer to sleep at night and to look at
1049 themselves in mirrors without wincing, being a Good Shepherd works best. For the one in 25
1050 among us who couldn't care less who they hurt, how much, or for what venal reasons, being a
1051 predator may be the only option, because such animals (and you know who you are) see
1052 innocence as ignorance, see weakness as opportunity, see goodness of any kind as an excuse for
1053 contempt, and purity of any sort as an excuse to despoil it.

1054 Just be aware--- there are 24 shepherds to every wolf and 390 million increasingly
1055 disgusted Americans poised to take out the entire Puerto Rican Navy.

Final Judgment and Civil Orders

1056 **11. Why did you include Pat Dougherty, the Managing Editor of The Anchorage Daily**
1057 **News, to receive a FINAL NOTICE? He's not a politician or a public employee or a**
1058 **banker or a judge, so it doesn't appear to make sense?**

1059 Go to The Anchorage Daily News archives and look at the first ad in the Legal Notices
1060 Section of the October 1, 2013 edition under high magnification. Write down the words that you
1061 actually see are printed there and compare them to the words that **appear** to be printed on that
1062 page when you are reading this ad without the aid of a strong magnifying glass.

1063 We believe that it will be self-explanatory, and if it isn't, we have many actual copies of
1064 all the publications of this specific Notice archived around the world for your inspection. The
1065 actual copies published as part of The Anchorage Daily News on that date show a very peculiar
1066 thing: the words that **appear to be** on the page aren't actually there. At high magnification, it
1067 becomes apparent that an entirely different and diabolical message is embedded in the page.
1068 This is another fraudulent use of microprint to void the actual lawful notice, similar to the use of
1069 microprint on "personal" checks, replacing what appears to be merely a line for your signature
1070 with a line of microprint that designates your signature as an "authorizing" signature, not an
1071 issuing signature----which changes your presumed status from that of a beneficiary to that of an
1072 employee.

1073 That ad and two similar prior ads were placed in the paper in behalf of the People of
1074 Alaska, as Legal Notice to the politicians, judges, bankers, corporate officers, social planners and
1075 others scheming to injure and defraud their neighbors in the upcoming game of national
1076 bankruptcy. The ad ran three times, and each time, the print staff at The Anchorage Daily News
1077 corrupted it in such a way that the perpetrators of all this fraud can technically claim that the
1078 clearly intended Public Notice was never delivered, and that instead, the underlying distorted and
1079 diabolical message was published instead. After all, they will argue among themselves and slap
1080 each other on the back for such cleverness----the Sheep will never catch on, and it's the ink on
1081 the page that counts, not the ink that seems to be on the page.

1082 Or is it? We, the Shepherds, have something to say about that----and it is merely this:
1083 fraud vitiates everything. The intent to publish and the act of publishing the Notice stands as
1084 originally written and **delivered by the Post Office**.

1085 Pat Dougherty has a commercial responsibility to provide his advertisers with good faith
1086 service, especially those who place ads in the Legal Notices section of the newspaper. By
1087 allowing distortion of the **actual** content of Legal Notices via the use of puerile optical illusions,
1088 he does great disservice to everyone involved and he assists in preserving the ongoing
1089 criminality instead of pulling an oar to straighten it out. It's true that those responsible for all
1090 this corruption and graft have lied to the members of the Fourth Estate just as they have lied to
1091 everyone else, but an editor bears responsibility for what appears --or fails to appear--in the
1092 Legal Notices.

1093 That's why Pat Dougherty got a NOTICE of default. The Anchorage Daily News
1094 charged for a legal notice that was never actually published. This is certainly commercial
1095 default, and as he is responsible for what goes on in the press room, administrative default with

1096 respect to public obligations and functions that the newspaper holds under contract as the agency
1097 responsible for publication of Legal Notices in Alaska.

1098 **12. I am confused with all these names that are so similar meaning different things. Can**

1142 **Whenever you see names in all small letters** or when you see entities physically
1143 described, you are talking about the Republic and the real world of living people and private
1144 property and valid contracts. All **real assets** of the nation are held in perpetual trust by the
1145 Global Estate Trust. The trials and tribulations of individual Trust Management Organizations
1146 are never supposed to affect any asset held in trust. Thus, the name “nelly-jo: blanchard” is the
1147 name of a living female. So is “Nelly-Jo of the family Blanchard” a valid way to designate a
1148 living female. A US dollar is a known weight of silver refined to a stated quality. The Georgia
1149 State has known geographical borders. But, Nelly Jo Blanchard is a foreign situs trust created
1150 and owned under conditions of deceit and non-disclosure by agencies of the State of Georgia, a
1151 franchise of the United States of America, Incorporated, which is owned and operated as a
1152 business by the Federal Reserve, Inc. which is incorporated in turn under the auspices of the
1153 United States of America (Minor). In the same way, NELLY JO BLANCHARD is a foreign
1154 (Puerto Rican) ESTATE Trust --- a Roman Inferior Trust--- created, owned, and operated under
1155 conditions of deceit and non-disclosure by the International Monetary Fund (IMF) which is an
1156 agency of the UNITED NATIONS, INC. operating under the auspices of the United Nations, an
1157 independent, international city-state.

1158 **When you see names styled in Upper and Lower Case**, you are talking about
1159 incorporated entities known as “legal fiction entities” spawned by the United States of America
1160 (Minor) or one of its corporate municipal franchises, such as the State of Alaska, which exist
1161 only on paper, are subject to their charter, and enjoy certain immoral advantages in commerce.
1162 Nelly Jo Blanchard is the Name of a *foreign situs* trust created by agents of the United States of
1163 America, Incorporated, to function as a “commercial vessel” and to act as a surety for their own
1164 corporate debts---without the knowledge or consent of the similarly named living American.
1165 “Nelly Jo Blanchard” --- is a *foreign situs* trust claimed and owned as chattel by the Federal
1166 Reserve Banks doing business as the United States of America, Incorporated. **These entities**
1167 **are in fact abusing the legal conventions which apply to naming corporate entities and**
1168 **making a *de facto* false claim by using a small “t” in describing themselves as “the United**
1169 **States of America” and doing so by claiming to represent BOTH the 50 states and the 7**
1170 **insular states. This adds to the confusion as to who is who and what is what.**

1171 **When you see NAMES styled in all UPPER CASE letters**, you are talking about
1172 additional incorporated entities spawned by the UNITED STATES, a regional subsidiary of the
1173 UNITED NATIONS, chartered in Puerto Rico, operated as franchises, agencies and subsidiaries,
1174 functioning as secondary creditors in commerce and commercial vessels owned and operated by
1175 the International Monetary Fund. “NELLY JO BLANCHARD” is a Roman Inferior Trust (also
1176 known as a Cestui Que Vie Trust) operated out of Puerto Rico by the IMF doing business as the
1177 UNITED STATES, INC. and all under the auspices of the UNITED NATIONS, INC. which is
1178 in turn organized under the authority of the United Nations acting as a separate independent and
1179 international city-state.

Final Judgment and Civil Orders

1180 The next stage of this endless fraud is beginning now, with conversion of the IMF owned
1181 and operated ESTATE trusts into transmitting utilities owned and operated by a new UN
1182 subsidiary calling itself the FEDERAL RESERVE. This entity is creating yet another bunch of
1183 legal fiction entities under names styled in this form: "JOHN Q. PUBLIC" and all named after
1184 living Americans.

1185 This entire con game is based on non-disclosure and semantic deceits and is a form of
1186 sophisticated identity theft carried out via abuse of the rights of usufruct exercised by Trust
1187 Management Organizations acting in Breach of Trust ---and all done by organizations which
1188 owe the victims absolute fiduciary accountability.

1189 **13. Do you mean that when I get a tax notice from the IRS addressed to my NAME, it isn't**
1190 **actually addressed to me?**

1191 Precisely. It is addressed to a Puerto Rican ESTATE Trust and you are presumed to be a
1192 federal official---specifically, a federal contracting officer known as a "Withholding Agent"
1193 working for the government of the United States of America (Minor) who is responsible for
1194 administering this ESTATE as a civil executor. Every time you sign a 1040 or a 1065 or other
1195 federal tax document claiming to be a Withholding Agent, you obligate yourself to act as a "US
1196 citizen" subject to every jot of Federal Code, including the 120,000-plus pages of gobbledygook
1197 known as the Internal Revenue Code, plus whatever whims the US Congress may have next
1198 week. Withholding Agents are responsible for collecting and withholding taxes on revenues
1199 imported to Puerto Rico.

1200 The perpetrators tax you for the privilege of donating your money to a Puerto Rican
1201 ESTATE Trust operated under your name by the IMF---which you do every time you deposit
1202 money in an account belonging to YOUR NAME IN CAPITAL LETTERS and thereby
1203 "voluntarily" convert your own private property into corporate income and also accrue the
1204 import tax due for importing revenue to a Puerto Rican Trust.

1205 They operate a monopoly on legal tender such that you have no valid means to pay a
1206 debt, then prevent you from discharging any debt --- **which is the only remedy they provided**
1207 **to justify their monopoly on legal tender** ---and then they tax you for the privilege of donating
1208 the I.O.U.'s they foisted off on you in the first place to a Puerto Rican ESTATE trust operated in
1209 your name.

1210 **Next, if you let them get away with it, the new FEDERAL RESERVE will subtly**
1211 **change the NAME on "your" ESTATE account, changing it to this form: JOHN Q.**
1212 **PUBLIC, which is a transmitting utility – yet another legal fiction entity created out of thin**
1213 **air-and operated under a "similar name" ----and they will happily make false claims of**
1214 **debt and ownership against this entity, too.**

1215 All the gold that the United States of America, Incorporated, stole from your
1216 grandparents in the 1930's will now be used to issue a "new currency" backed with gold and
1217 silver---gold and silver they seized under force of arms from your families to begin with and
1218 never paid back--- **and the new "US Treasury Notes", like the "Federal Reserve Notes" will**
1219 **still be mere I.O.U.'s that further indebt you every time you use them to "pay" a debt.**

Final Judgment and Civil Orders

1220

1221 **14. What is the bottom line of all this?**

1222 There is either a contract between the governmental service providers, or there is no
1223 contract for services in play. If there is a contract, they have to abide by it. If there isn't a
1224 contract, nobody is obligated to pay the providers for any service provided, and in this case,
1225 those providing the services additionally become recognizable as foreigners without any cause to
1226 be on American soil, therefore subject to deportation and confiscation of their assets.

1227 The only valid contract ever established between the American states and the Global
1228 Estate Trust, is the Original Equity Contract known as The Constitution for the united States of
1229 America. The purported changes made in 1871 and the "new" constitution published at that
1230 time pertained only to the United States of America (Minor) and was never fully disclosed and
1231 never properly ratified as anything wider ranging, with the result that all the changes made in
1232 1913 and 1933 were never fully disclosed and never ratified by the states, either.

1233 The documents known as "the Constitution of the United States of America" published in
1234 1871 and the more recent "Constitution of the United States" have no meaning outside the
1235 narrow confines of the United States of America (Minor) and the incorporated entities that
1236 created these documents. They hold no water in international commerce. They have no valid
1237 basis as international treaties between the United States of America (Minor) and The United
1238 States of America (Major).

1239 **The only contract binding the American states to the Global Estate Trust remains**
1240 **the over-200 year-old Constitution for the united States of America, and that is the contract**
1241 **that must be performed upon if any contract exists at all.**

1242 It is "one way or the other" from an international treaty and commercial contract
1243 standpoint---either there is a contract that must be honored, or there is no contract and these
1244 freebooters need to be removed from American shores and their false claims need to be
1245 repudiated. **This is precisely the viewpoint that the Pope is obligated to take as the Trustee**
1246 **responsible for the administration of the Global Estate Trust as a whole, and it is the stand**
1247 **he has taken.**

1248 In enforcing the original equity contract the Pope can call upon all the other members of
1249 the Global Estate Trust ---over 200 countries----and he will have many willing supporters if he is
1250 forced to take action against the present leadership of the United States of America (Minor) dba
1251 PRESIDENT BARACK H. OBAMA and the US CONGRESS.

1252 Both Russia and China have already pledged their support to impose economic and
1253 military sanctions if the criminal banking cartels presently operating the American government
1254 don't back down and restore the commodity-based monetary system, agree to implement Basel
1255 III banking protocols, stop rigging the commodity markets, and take other steps ensuring global
1256 security and prosperity.

To: All Concerned and All Recipients of FINAL NOTICE - February 3, 2014

Final Judgment and Civil Orders

1257 It is in the best interests of everyone on earth outside a very narrow group of politicians,
1258 bankers, lawyers, military officers, and corrupt churchmen to bring the present criminality to a
1259 halt, so, one way or another, it will be done.

1260 The Pope has no choice, and neither do you.

1261 The bottom line can be summed up in one question to be answered---is there a contract or
1262 not? If so, that contract must be honored. If not, the employees of the United States of America
1263 (Minor) and the United Nations are out of a job and those who knowingly promoted the fraud are
1264 to be prosecuted as criminals and deported.

1265 **15. What is the status of an American facing the present court system?**

1266 There are only two possibilities currently being entertained by the members of the
1267 American Bar Association, as a result of the shakedown put in place by the Roosevelt
1268 Administration eighty years ago following the Erie Railroad v. Thompkins case: (1) they are
1269 addressing an in-house administrative corporate tribunal to provide information or make a claim
1270 against the United States of America (Minor) or one of its municipal franchises or agencies per
1271 the Administrative Procedures Act, or (2) they are facing a foreign maritime court and acting
1272 under a burden of undisclosed false presumption----except in the very few cases where an actual
1273 maritime issue and contract exists.

1274 **Those are the only possibilities and the members of the American Bar Association**
1275 **fight hard to ignore or weasel out of ever admitting that they are functioning in either**
1276 **capacity.**

1277 **There is no such thing under the current system as a State Statute.** There isn't a
1278 single valid Enactment Clause anywhere to be seen in the volumes of "statute" published by the
1279 "State of Alaska", nor is there any power of enactment within the Administrative Code of the
1280 STATE OF ALASKA.

1281 Anyone properly trained in the practice of law has only to glance at these documents to
1282 know they are private in-house publications. Unfortunately, two generations of American
1283 lawyers have been purposefully left in ignorance as pernicious as that inflicted on the general
1284 populace.

1285 This ignorance better serves the purposes of the "Court Administrators" who are
1286 employees of the same banks that have perpetuated the gross fraud and criminality engulfing the
1287 monetary system, the banking system, the political system, and the government both state and
1288 federal.

1289 The perpetrators have gone so far as to openly and publically declare in the Foreign
1290 Sovereign Immunity Act and the International Organizations Immunity Act that all state offices
1291 have been relinquished to the UN and all state law has been released to international venues, so
1292 even by their own admission, there is no opportunity to question these facts. It is all public
1293 record.

Final Judgment and Civil Orders

1294 All the administrative “law” practiced by the courts in America is Roman Civil Law
1295 created under the auspices of the Roman Curia and transplanted as the law form chosen by the
1296 international bankruptcy trustees to administer the bankruptcy of the United States of America,
1297 Incorporated.

1298 All the maritime law practiced by the STATE OF ALASKA courts is “Special
1299 Admiralty”---a gobbledygook created and adopted to allow perverse presumptions of maritime
1300 association and contract in civil cases involving *foreign situs* trusts created by the United States
1301 of America (Minor) that are merely **presumed to be** sureties for the debts of the bankrupt Trust
1302 Management Organization dba United States of America, Inc. ---and all washed down with
1303 ample and outrageous probate fraud.

1304 According to the perpetrators, the “vessel” they created, a *foreign situs* trust belonging to
1305 the State of Alaska franchise of the bankrupt United States of America, Inc., went missing years
1306 ago. John Quincy Adams hasn’t been heard from, or so they claim, so he has been presumed
1307 dead and his estate has been rolled over into a Puerto Rican ESTATE trust operating under the
1308 name JOHN QUINCY ADAMS.

1309 This is venal probate fraud of the worst sort, carried out systematically against an
1310 unsuspecting and peaceful populace of civilian inhabitants of the land, people who are owed the
1311 full protection of their International Trustees, the Pope and HRM Elizabeth II, and the good faith
1312 and service of their **employees** under commercial contract to provide governmental services.

1313 All the admiralty law practiced by the US DISTRICT COURT is international Law
1314 Merchant falsely transplanted without contract or consent, usurping upon the land and used
1315 against the unwitting American people with devastating effect upon them and their fraudulently
1316 constructed ESTATES in flagrant violation of the Treaties of Westminster.

1317 There are at present **no** formal courts in America serving **living** Americans at all. The
1318 only way a living American can appear is via Special Appearance--- a status akin to a ghost who
1319 may be heard and seen, but without standing.

1320 To address any court in America with standing, a living American has two choices: to
1321 reclaim controlling interest in their ESTATE according to the ancient laws governing Roman
1322 Inferior Trusts---which throws a mighty monkey wrench into a “court system” that is not
1323 designed to ever deal with American civil executors, or, two, to create an American *inter vivos*
1324 trust operating under a separate legal name which is competent to address commercial issues in a
1325 public international venue.

1326 Living Americans are owed the American Common Law, and as we’ve already seen, the
1327 American Bar Association has acted under a fraudulent administrative order to operate **only** in
1328 administrative and maritime (international) venues since 1938.

1329 Without overturning this administrative protocol, the courts CANNOT function lawfully
1330 in the vast majority of cases, so they don’t function lawfully. They function as described herein
1331 as criminal ventures, rigged gambling syndicates, operating for-profit prisons that are
1332 “guaranteed full occupancy by contract”, and so on.

Final Judgment and Civil Orders

1333 **16. If the federal government is just a private, for-profit Trust Management Organization**
1334 **providing governmental services as a corporation with a lot of “STATE” franchises, like**
1335 **Burger King, International---what does that mean for the “STATE” legislatures?**

1336 It means that they are committing major league constructive fraud. They have no
1337 “legislative power” outside the private affairs of their own deceptively named corporation, no
1338 valid claim to the American national trust assets, no valid claim upon the American states, no
1339 controlling interest in the states and certainly no controlling interest in the private assets of the
1340 American people. They cannot even claim to represent anyone but the small percentage of those
1341 who bothered to vote, AND, who voted for them, individually ----a matter which cannot be
1342 proven at all with a secret ballot. **All these people claiming to “represent” others can’t prove**
1343 **that they represent anyone at all.** At best they can round up a group of family and friends who
1344 will swear that they voted for them in the most recent election.

1345 Grandma Grace and Uncle Henry notwithstanding, with less than 30% of the populace
1346 voting, there is no way for the most popular politicians in Juneau or Washington, DC, to claim
1347 that they represent a majority controlling interest of any kind.

1348 As a practical matter, every member of the current “US CONGRESS” and every member
1349 of the STATE OF _____ LEGISLATURE is operating as an international criminal
1350 engaged in fraud and identity theft and they are impersonating American officials----whether
1351 they know it or not.

1352 **The Alaska State operates under the Alaska Statehood Compact.**

1353 It is **foreign** with respect to the State of Alaska and also **foreign** with respect to the
1354 STATE OF ALASKA. Those who are operating these private, for-profit corporations in
1355 violation of their corporate charters and in violation of the public trust have cause to know that
1356 they are NOT the government of the Alaska State and that they do NOT have any controlling
1357 interest in Alaska State assets.

1358 **Note:** it is the “Alaska State Capitol Building”, not the “State of Alaska Capitol
1359 Building”. These interlopers are occupying public buildings and impersonating public officials
1360 like a flock of starlings stealing the nests of better birds, and the fact that most of them--- like
1361 most of their constituents--- are totally ignorant of this fact, does not alter it at all.

1362 **17. What can be done to correct this situation?**

1363 **As a first step, the American Nationals can operate their own courts.** They are not
1364 obligated to depend upon BAR accredited attorneys for anything, and would do well not to hire
1365 them except under very narrowly defined “limited” Power of Attorney to act as agents, not
1366 representatives. The original equity contract includes the creation of a Grand Jury system which
1367 is meant to operate as a Fourth Branch of government, serving to present charges against those
1368 guilty of crimes and misdemeanors against the living inhabitants of the 50 states. Qualified
1369 Grand Jurors volunteer to serve as part of a statewide or county jury pool and may investigate
1370 any allegation of criminal or civil wrong-doing which comes to their attention. Following due
1371 process, they are enabled to present either indictments (against US citizens) or present charges
1372 (against American Nationals).

Final Judgment and Civil Orders

1373 As for trial juries, they may be convened by any elected county sheriff or by a U.S.
1374 marshal (note the small “m”) or elected county judge---who does not have to be a member of the
1375 Bar Association. The U.S. marshals are under contract to protect the U.S. Mail and are the only
1376 “federal” law enforcement officers commissioned to act as constitutional officers. They have
1377 free egress on the land of the 50 states United when engaged in the performance of their duties.
1378 All other similarly named offices operated as “US Marshals” or “US MARSHALS” are private
1379 and non-constitutional agency positions that enjoy no special status or granted access on the land
1380 of the 50 states United, similar to NSA, BATF, IRS, FBI, and DEA officers. In a few remaining
1381 locations, notably in Alaska, there are as yet no fully functioning counties and the U.S. marshals,
1382 Provost marshals, civil postmasters and notary publics serve as the constitutional officers.

1383 All US Marshals and US MARSHALS can be “invoked” to occupy the constitutional
1384 office of U.S. marshal by explicitly addressing them in this capacity and requesting them to
1385 function in that office. A similar situation exists when requesting service from a notary public,
1386 postmaster, or provost marshal. The same individual can be called upon to function in both
1387 public and private offices, and are required to do so, though they are seldom fully advised or
1388 trained in their responsibilities as constitutional officers.

1389

1390 American Nationals can also demand that all persons elected to public office fill those
1391 offices immediately, under oath, in **unincorporated** capacity, and function in that capacity
1392 **exclusively** for the duration of their term in office. This requires them to accept full commercial
1393 liability for their actions and to function with full fiduciary obligation to the people of the state.
1394 They can then no longer play the game of “Which hat am I wearing now?” and function in
1395 conflict of interest, plundering the assets of the organic state and the living people for private
1396 banking and other corporate interests while claiming to “represent” those same states and people.

1397 Americans can also operate their unincorporated state legislatures to enforce and update
1398 the actual Constitution for the united States of America by a process of ratified amendment
1399 undertaken by properly informed and seated **unincorporated** state legislatures and a national
1400 referendum of the **unincorporated** Body Politic composed of living people---bearing in mind
1401 that **this document has not been altered since December of 1865**---or, we can negotiate a
1402 totally new contract with the Global Estate Trust, but given the present state of general
1403 ignorance, that would hardly be advised.

1404 Those who are nominally occupying public office need to act with propriety for now and
1405 limit their actions to those appropriate for **employees** of the Alaska State and the Alaskan
1406 People. Those who are members of the Alaska Bar Association need to demand immediate,
1407 drastic, and unequivocal administrative change---or tear up their BAR Cards and start their own
1408 club operating real American Courts under real American Common Law.

1409 **18. This whole situation makes me feel terrified and out of control. Why are you so cool**
1410 **and calm?**

1411 The Pope is determined to do the right thing and he is doing it, despite wild accusations,
1412 despite false claims, despite a very vile propaganda campaign launched against him personally

Final Judgment and Civil Orders

1413 and against the Roman Catholic Church by globalist bank operatives. With more than a billion
1414 members worldwide, the Church is one of the largest Body Politics on earth and its membership
1415 cuts across all racial and national boundaries. There are also more than two billion people with a
1416 direct interest in correcting this situation, including the entire combined populations of North and
1417 South America, Canada, Australia, Japan, and most of Europe. The Americans aren't in this
1418 stew pot alone. What happens to us happens to everyone else caught in the same system. That
1419 includes the perpetrators and their home bases--globally. The reckoning is coming too fast for
1420 them to move their operations far enough. The globe has become too small.

1421 Under international law, however, Americans are unique in that the entire civil
1422 government is vested in each and every living man and woman born on American soil.
1423 Americans, quite literally, are sovereigns on the land. The lowliest file clerk in America has
1424 more **civil** authority than the entire federal government, so there is no lack of civil government in
1425 America and never has been.

1426 Any claim that the civil government has not operated since 1865 due to the fact that a
1427 properly seated and functioning congress has not acted since then is immediately rendered null
1428 and void by the simple fact that sovereigns upon the land are **not obligated** to convene a
1429 congress or any other legislative body. We can do what we like, but we must now recognize
1430 that our own failure to operate our own civil government has created a vacuum of power that
1431 unscrupulous men have sought to take advantage of. The counties, the basic building blocks of
1432 the American civil government, must be rebuilt and redirected to function properly at a
1433 grassroots level. Usurpation onto the land by "boroughs" and "municipalities" existing under
1434 "federal" charters---that is, under the auspices of the United States of America (Minor) or the
1435 United Nations City State---which are **foreign nations creating unauthorized settlements on**
1436 **our land**--- must be stopped and the existing charters of municipalities like DETROIT must be
1437 voided as criminal personage carried out by foreign powers against the state of Michigan and its
1438 people.

1439 Some individual states have given these freebooters asylum, including the states of
1440 Virginia, Maryland, Delaware, and New York. By so doing, they have allowed foreign nations
1441 to take root and operate on our shores to the detriment of all Americans. The states of Delaware,
1442 Maryland, and Missouri have all knowingly allowed the proliferation of foreign corporations
1443 using names overtly designed to mimmick and be confused with The United States of America
1444 (Major), other states, federal and state agencies, and a plethora of other entities. In so doing,
1445 they have helped promote and promulgate this entire fraud scheme. Their state legislatures are
1446 culpable and answerable to the other states with which they are joined in perpetual union.

1447 Americans are blessed in that they have been taught the Great Laws of the Bible. They
1448 know the essence of justice, so they are competent to self-govern. The premise of American
1449 Common Law is simple enough for a child to understand: **do no harm**, and when and if you do
1450 harm someone, make up for it. American Common Law is also simple in this respect--- if
1451 there's no real, actual victim, either a dead body or a living man, there is no crime.

1452 There are no victimless crimes under American Common Law, and the lack of a real,
1453 living injured party bringing complaint is the absolute, drop-dead proof that the entire court

Final Judgment and Civil Orders

1454 system is being purposefully and self-interestedly mis-administered in foreign jurisdictions
1455 generally having nothing whatsoever to do with American Nationals or their property interests.

1456 All American Nationals being improperly addressed by one of these foreign admiralty
1457 courts should ask five questions: (1) Where is the alleged **maritime** contract? (There isn't even
1458 a whiff of sea air in 99.9% of all the cases before these courts, and they have no jurisdiction
1459 extending more than a mile inland.) (2) Who or what is being addressed as the DEFENDANT?
1460 (Nail them down---Is this a trust? It can't be a living man because the name is in all capital
1461 letters. So....is the DEFENDANT a transmitting utility? A cooperative? Who is it owned by?)
1462 (3) Is this court a constitutional entity, and if so, is it organized under Article 3 or Article 5?
1463 (Neither, but it has to be under one of the two, if it is an American Court. Most "JUDGES" will
1464 vacate at this point.) (4) Where is and what or who is the Injured Party named as PLAINTIFF?
1465 (Again, it's not a living man or woman, so what is it? Who owns it? Who is responsible for it?)
1466 and (5) What jurisdiction or authority does this court or its officers have to address fraudulent
1467 claims to my attention? (If the documents were mailed, they committed mail fraud. If they were
1468 hand delivered, they trespassed on private property.)

1469 The over 80 million regulations and statutes and codes that the incorporated Trust
1470 Management Organizations have created for themselves and their employees and their "citizens"
1471 don't apply to Americans. So under what authority do these cretins continue to assert that they
1472 do?

1473 As for the claim that is sometimes made that Americans fell under the "exclusive
1474 legislative" control of the United States of America (Minor) via its establishment of "state"
1475 franchises, it is clear that all it accomplished was attempted identity theft. The same goes for any
1476 claim made by the United Nations. It is also clear that all claims of "war powers" and "national
1477 emergency" apply only to the United States of America (Minor) and that no such powers and
1478 emergencies have ever existed within or been declared by The United States of America (Major).

1479 The bankers at the bottom of all this criminality can, potentially, cause destruction and
1480 havoc, but in the end they will lose along with everyone else if they do, and let's face it, they
1481 have more to lose. Even the arms dealers and Mafiosi and drug lords can ill-afford to lose their
1482 American Hemisphere real estate and American investments and American bases of operation.
1483 The bad guys are in a position where they can only shoot themselves in the foot.

1484 They either allow an orderly return to American self-government under American law
1485 and an American Dollar that is a real dollar, or they can try to find a nice new home in Iran or a
1486 similarly non-aligned nation. Their flight to "UN protection" will not ultimately help them, and
1487 that has already been decided by the Pope and the Global Estate Trustees.

1488 As for any claims based on a theoretical military coup and attempts to define the presence
1489 of the US Army on American soil as a "foreign occupation" by the United States of America
1490 (Minor), there are numerous reasons why such claims do not stand up in the international
1491 community. First, then-President Andrew Jackson made three public declarations officially
1492 ending the Civil War. Second, even if it is under the direction of the President of the United
1493 States when it comes to defending The United States of America (Major), the US Army is paid

To: All Concerned and All Recipients of FINAL NOTICE - February 3, 2014

Final Judgment and Civil Orders

1494 for its services and under contract. Any action undertaken by the US Army against American
1495 Nationals on the land of the 50 states United would be a blatant commercial crime, and the
1496 United Nations could ill afford a reputation for allowing, aiding, or abetting that.

1497 Finally, the perpetrators of this scheme are well aware that in some senses “Hell” is very
1498 real. The Pope’s recent admonishment of the Italian Mafiosi is not devoid of meaning for them,
1499 and the messages going out worldwide to the administrators of the Crown Temple have similar
1500 content-specific meaning for the recipients.

1501 So, all things taken together, that’s why we are so cool and calm---as stated in the FINAL
1502 NOTICE all these issues, claims, and considerations have already been deliberated upon and
1503 decided at the very highest levels of international governance.

1504 **19. All these “legislatures” and public officials have been using public resources and**
1505 **buildings and everything else to benefit their own private for-profit corporations for**
1506 **DECADES---for example, they’ve sold off billions of dollars worth of Alaska’s oil for**
1507 **pennies on the dollar to their cronies in the oil companies, siphoned off billions into slush**
1508 **funds they haven’t accounted for, all by impersonating American public officials and**
1509 **merely asserting a controlling interest in the assets of the organic states.....that’s what**
1510 **you’re telling me?**

1511 Yes.

1512 In 1946 the “federal government”----which you now know is simply a private, for profit,
1513 mostly foreign-owned corporation under contract to provide governmental services---adopted a
1514 crooked bookkeeping system and the “US CONGRESS” gratuitously declared it to be legal for
1515 the government, even though it was recognized as being illegal for everyone else.

1516 They basically borrowed the “double entry bookkeeping system” from Fast Eddie
1517 O’Hara, who was Al Capone’s bookkeeper. The IRS learned it from Eddie when they
1518 prosecuted Capone back in the 1920’s. Getting rid of this system has been the principle driving
1519 force behind all the Basel I, II, and III banking reforms.

1520 The essence of the crooked government accounting is in keeping two sets of books, use
1521 of undisclosed “off book” escrow accounts, undeclared income accounts, and “future time
1522 encumbrances”. They have also failed to transparently report their “public investments” to the
1523 public.

1524 To use an example from Alaska--- the STATE OF ALASKA splits its income streams
1525 into “budgeted” and “non-budgeted” income. The GOVERNOR decides how much he wants to
1526 give out as a budget and the LEGISLATURE argues over this little bone and keeps the crowds
1527 entertained for the rest of the session. **This sideshow keeps attention focused only on the**
1528 **budgeted amount.** Meanwhile, the far greater share of the income and investment is being
1529 “passed through” to investment accounts and escrow accounts and subsidiary accounts belonging
1530 to technically separate agencies.

1531 Once a year the STATE OF ALASKA produces a financial report called the
1532 COMPREHENSIVE ANNUAL FINANCIAL REPORT --- the CAFR. This is far from a true

Final Judgment and Civil Orders

1533 “comprehensive” financial report, in that it passes off responsibility for including the detailed
1534 data from all the ANNUAL FINANCIAL REPORTS of entities like the ALASKA MENTAL
1535 HEALTH TRUST and the ALASKA HOUSING FINANCE CORPORATION and the
1536 UNIVERSITY OF ALASKA and so on, but it does reveal some very startling things and it
1537 provides the basis to dig out the truth about STATE OF ALASKA finances.

1538 The last time this sort of analysis was done was in the 1990’s and it was only a “big
1539 strokes” research project. It did not get down to the fine detail level, nor did it exhaustively
1540 investigate myriad subsidiary ANNUAL FINANCIAL REPORTS, only the three largest ones at
1541 that time. The STATE OF ALASKA had over \$3 trillion dollars in unreported “non-budgeted”
1542 income, interest, investments from prior years, other investment income, program fees, and
1543 monetized assets standing on the books. Only the COMMISSIONER OF REVENUE,
1544 LINDSEY GOLDBERG, THE GOVERNOR’S OFFICE, and senior bureaucrats at
1545 LEGISLATIVE BUDGET AND AUDIT would have an accurate guess how much it has ratted
1546 away now.

1547 This is typical of the way these corporations work. They keep people distracted by
1548 focusing public attention on the pennies in one pocket while they are stealing the gold bars from
1549 the other pocket.

1550 As an example of the corporate conflict of interest----the leadership of the “STATE OF
1551 ALASKA LEGISLATURE” and various other corporate players have been happily colluding to
1552 squeeze-play the Alaskan people out of the benefit of their natural gas resources. The STATE
1553 OF ALASKA has long owned via investment a very large interest in ENSTAR NATURAL GAS
1554 and has a vested interest in maintaining ENSTAR’s monopoly as the only viable gas supply
1555 utility in Alaska. So, as a self-interested private corporation, the STATE OF ALASKA is
1556 determined to keep the price of natural gas and propane in Alaska unnaturally high, to help
1557 maintain ENSTAR’S monopoly on in-state gas energy supplies, and to prevent any large scale
1558 development of Alaska’s gas resources that would encourage competition for ENSTAR. It also
1559 has a vested self-interest in wrangling pipeline construction contracts for ENSTAR.

1560 This is an especially choice investment for the STATE OF ALASKA because public
1561 utilities are regulated and thereby **guaranteed** a 12% above cost profit, no matter what the costs
1562 of a project may be. All the cost in such a venture gets passed onto the consumers, and the
1563 perpetrators get a 12% profit **no matter what**.

1564 The STATE OF ALASKA corporate leadership is willing to consider a wildly expensive
1565 small or medium diameter gas pipeline that guarantees extremely high consumer gas prices in
1566 Alaska for decades to come---because that option (1) guarantees ENSTAR’s monopoly for
1567 decades to come, (2) guarantees top prices for propane delivered in-state for decades to come,
1568 and (3) guarantees a 12% **above cost** profit for ENSTAR---and the STATE OF ALASKA **no**
1569 **matter what the costs of construction are**---for every mile of pipe the company lays.

1570 This situation neatly demonstrates the conflict of interest which exists all across the board
1571 when private for-profit corporations are allowed to assume a controlling interest in public assets.

To: All Concerned and All Recipients of FINAL NOTICE - February 3, 2014

Final Judgment and Civil Orders

1572 They have a built-in and constant temptation to operate in favor of their own bottom line at the
1573 expense of the organic states and the people they are obligated by fiduciary trust to serve.

1574 This gas development plan to construct a small or medium diameter gas pipeline is
1575 perfectly desirable from the standpoint of the STATE OF ALASKA'S bottom line, but it betrays
1576 and victimizes the actual beneficiaries of the Alaska Trust, the ones who should be benefited first
1577 and most of all by Alaska's resources.

1578 This calculated breach of public trust for private profit is on top of the theft of identity
1579 and credit that has already been described, and it goes on in every STATE franchise, not just the
1580 STATE OF ALASKA.

1581 The take home message to members of the STATE OF ALASKA LEGISLATURE is that
1582 the organization is already in gross violation of its charter, in violation of the public trust, acting
1583 in breach of trust, engaging in felony fraud, acting with gross fiduciary malfeasance, and cannot
1584 make up for the past. Billions upon billions of dollars have been stolen and wasted, misdirected,
1585 poorly invested for petty, selfish reasons, and siphoned off by the STATE OF ALASKA.

1586 A new dialogue must begin, and in the meantime, those occupying corporate offices need
1587 to be very mindful of the limitations, temptations, and actual nature of their elected office within
1588 a private corporation under contract to provide stipulated governmental services. They must also
1589 be aware that they have no valid controlling interest in the assets of the Alaska State and that
1590 they have failed to perform according to the Alaska Statehood Compact, which potentially voids
1591 all contract for all services and all contracts which the STATE OF ALASKA has or has entered
1592 into since 1959.

1593 As an example of the same phenomenon at the national level, the "US Congress" recently
1594 passed the Dodd-Frank Act, gratuitously granting itself the right to confiscate money deposited
1595 in bank accounts properly belonging to American Nationals. Unknown to those Americans, the
1596 banks have secretively practiced unlawful conversion against them and what they think of as
1597 their bank accounts have all been established instead in the name of Puerto Rican Estate Trusts
1598 that are under the control of the United States of America (Minor). Poor old john-quincy:adams
1599 has been "donating" all his credit accruals in the form of his checking and savings and demand
1600 deposits and mortgage escrow holdings and everything else to benefit John Quincy Adams, and
1601 that long-lost beneficiary's Estate has been rolled over into an ESTATE trust doing business
1602 under "his" NAME---- JOHN QUINCY ADAMS, which actually owns and controls all the bank
1603 accounts.

1604 Don't worry if you get dizzy trying to follow all the semantic deceit. It's all fraud, top to
1605 bottom and front to back, null and void, unlawful, illegal, and criminal without excuse. The
1606 point is that Senators Dodd and Frank thought it was perfectly all right to bilk the American
1607 people out of their life savings and retirement accounts ----and they did this while overtly
1608 claiming to "represent" the victims and their estates.

1609 The men and women sitting as officers of both the United States of America, Inc. and the
1610 UNITED STATES, INC. feel secure committing these and other heinous commercial crimes
1611 against Americans, because technically, they are not Americans anymore. Once they took their

Final Judgment and Civil Orders

1612 oath of office, they came under the protection of the United States of America (Minor) and the
1613 United Nations and they claimed “immunity” for all their acts.

1614 Unfortunately for them, fraud is a crime on an international basis, and any incorporated
1615 entity, whether it purports itself to be a nation, a state, or the local D.Q. franchise, is subject to
1616 dissolution for violation of its charter and for actions identifying it as a criminal syndicate.
1617 Likewise, the officers of a criminal syndicate are readily exposed without the benefit of any
1618 corporate veil or diplomatic immunity.

1619

1620 **20. You have put your own private assets at risk to pursue justice and correction of all**
1621 **these circumstances. You stated in the FINAL NOTICE that THE SUPERIOR COURT**
1622 **FOR THE STATE OF ALASKA owes you “reparations” and damages in the amount of**
1623 **\$1,600,000.00 and that the STATE OF ALASKA stands subject to dissolution as a result.**
1624 **How is all this possible? Wasn’t the property foreclosed for not paying a commercial**
1625 **mortgage?**

1626 Fraud vitiates everything and it makes no difference who the fraudsters are, or, in this
1627 case, who they pretend to be. There are no “courts” in America having any valid jurisdiction
1628 over us or our private property, including the **private** trusts recorded as the actual owners of the
1629 property in question.

1630 The reparations result from damage done to us and our estate by the United States of
1631 America (Minor) and its franchises operated as “States” and the damage claim further results
1632 from the STATE OF ALASKA’s failure to monitor and control the operations of THE
1633 SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA.

1634 Technically, under the Law of the Sea, we could claim 800 times the loss as damages, but
1635 that represents precisely the kind of cut-throat and unreasonable piracy we seek to end. The
1636 actual material damage to our joint estate trust is currently and fairly estimated at \$1,600,000.00
1637 USD and that reasonable and limited amount is what we have claimed.

1638 THE SUPERIOR COURT FOR THE STATE OF ALASKA is a private, for-profit, non-
1639 governmental entity operated by the ALASKA COURT SYSTEM, INC. which is operated by
1640 the FEDERAL RESERVE. As described earlier, the CLERK set up a docket number and penal
1641 bonds and “deposited” the case as a security in the DALLAS FEDERAL RESERVE BANK.
1642 JUDGE PAUL OLSON received the converted security making the COURT the creditor and
1643 ruled in favor of---guess who? The COURT and the COURT’s employer, the FEDERAL
1644 RESERVE. This is gross conflict of interest, unlawful conversion, insider trading, etc.----but it
1645 is also fraud in name and deed.

1646 Just as the United States of America (Minor) claims to stand for **The** United States of
1647 America (Major), THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA is
1648 deceptively named to imply that it operates under the auspices of the STATE OF ALASKA. It
1649 does not, and the ATTORNEY GENERAL for the STATE OF ALASKA will very quickly
1650 confirm this. THE SUPERIOR DISTRICT COURT **FOR** THE STATE OF ALASKA is a

Final Judgment and Civil Orders

1651 private for-profit debt collection agency and the only thing the “for” in its name implies is that
1652 Alaska is its geographically defined place of operations.

1653 The STATE OF ALASKA’s failure is that it has not honored its obligation to protect the
1654 assets of the national and state trusts. As a franchise of the UNITED STATES, INC. which
1655 inherited the trust obligations along with the juicy service contracts that it has administered
1656 throughout the bankruptcy reorganization of the United States of America, Inc., the STATE OF
1657 ALASKA was a successor trustee.

1658 The STATE OF ALASKA = bankruptcy trustee of the “State of Alaska” = trustee of the
1659 Alaska State, and as any mathematician knows, equivalencies work both ways. Although the so-
1660 called “national bankruptcy” of the old Trust Management Organization has been settled as of
1661 July 1, 2013, it was still ongoing at the time the demonstration cases were prosecuted, and no
1662 matter how the ATTORNEY GENERAL tries to side-step the issue, both the redeemed ESTATE
1663 trusts and the actual title holder, an American express *inter vivos* trust, were and are owed his
1664 protection.

1665 Our rights and private property assets are all part of the national trust and like assets held
1666 in any trust, these assets are inviolate, **not subject to** claims that result from any bankruptcy of
1667 trustees---and this is true now as it was in 1933 and in 1863 and from the moment the individual
1668 organic states proclaimed their geographic boundaries as independent nation-states.

1669 Seeking to convert our private property assets into foreign corporate assets by a process
1670 of contractual entrapment, semantic deceit, and non-disclosure is fraud, as is the hypothecation
1671 of corporate debt against our private property assets under similar conditions of deceit and non-
1672 disclosure, as is creation of property titles under color of law, as is sale of property and transfer
1673 of property titles without full disclosure, as is the use of off-book demand accounts in the
1674 administration of mortgage agreements, as is usury, as is the use of unilateral contracts, as is the
1675 use of I.O.U’s as legal tender.

1676 The STATE OF ALASKA, INC. as the local franchise of the UNITED STATES, INC. is
1677 responsible for safe-guarding our rights and those include our private property rights which have
1678 been grossly, knowingly, and self-interestedly violated by THE SUPERIOR DISTRICT COURT
1679 FOR THE STATE OF ALASKA, INC. which has acted without jurisdiction and without a valid
1680 controlling interest against declared non-combatant civilian beneficiaries and **Third Parties** to
1681 this entire circumstance.

1682 The properties in question were **recorded** more than ten years ago with the Recorder’s
1683 Office in the name of a single private internationally held *inter vivos* trust dba “Anna M.
1684 Riezinger-von Reitz and James C. Belcher” which was properly established in original
1685 jurisdiction many years ago to act as a viable American commercial vessel in international
1686 commercial venues. Acting under duress and to clear the titles, we additionally and momentarily
1687 donned the “Federal Contracting Officer” hat that is ours as remedy for the first round of fraud
1688 and predation unleashed by FDR and in that capacity released all “federal” liens held against the
1689 properties. By Public Policy of the United States of America, Inc. and by the Uniform
1690 Commercial Code that binds the UNITED STATES and its STATE OF ALASKA franchise, all
1691 mortgages financed by any bank operated under the auspices of any “federal” or “state”

Final Judgment and Civil Orders

1692 corporation providing services to us, is subject to discharge favoring the beneficiaries of the
1693 ESTATES. Those documents are also on file with the Alaska Recorder's Office.

1694 When we presented THE SUPERIOR DISTRICT COURT FOR THE STATE OF
1695 ALASKA with copies of the Birth Certificates of the Puerto Rican ESTATE trusts doing
1696 business as "ANNA MARIA RIEZINGER" and "JAMES CLINTON BELCHER" and presented
1697 ourselves as the living beneficiaries of these trusts, which are Cestui Que Vie Trusts, two things
1698 should have happened. First, the COURT should have inquired as to our identity in behalf of the
1699 bankruptcy trustee and required that we produce competent witnesses and supporting
1700 documentation --which in this case we provided in the form of an Ecclesiastical Deed Poll and
1701 affidavit entitled "Statement of Identity" autographed by living witnesses. Second, the COURT
1702 should have recognized that we are the lawful beneficiaries and equitable title holders of the
1703 NAMED trusts asserting a controlling interest in their assets, and the COURT should have
1704 relinquished its merely assumed position as creditor and arbiter.

1705 When the true beneficiary of a Cestui Que Vie Trust appears in COURT ---if it is a real
1706 "court" of any kind---it **must** collapse the trust in favor of the equitable title holder. Must. No
1707 questions asked. **THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA**
1708 **failed to do this and it violated international law in the process.**

1709 **It also revealed its nature as nothing but a glorified debt collection agency operating**
1710 **under conditions of open fraud and collecting moreover from innocent Third Parties under**
1711 **conditions of armed extortion.**

1712 **The COURT's Officer, the prosecuting attorney, Michelle Boutin, hired the**
1713 **ALASKA STATE TROOPERS to act as mercenaries and enter our posted private**
1714 **property under armed force and threaten to evict us from our home and thereby extorted**
1715 **more than \$100,000.00 from our private estate trust.**

1716 There is no practical difference between what the COURT did in our demonstration case
1717 and Don Guido demanding protection money. It's the same exact racket being carried out under
1718 the noses of the ALASKA TROOPERS who were even co-opted into providing enforcement for
1719 this, and the FBI which was notified and informed, and the U.S. marshals, who are under
1720 contract with the Universal Postal Union to protect us and prevent the mail fraud that was used to
1721 promote the COURT's actions, and the STATE OF ALASKA, the local franchise of the
1722 UNITED STATES, INC. which should have been busily protecting our interests as the known
1723 Primary Creditors of the United States of America, Inc.

1724 We couldn't possibly owe the Federal Reserve more than the Federal Reserve already
1725 owed us, and the STATE OF ALASKA knew that, claimed to be our local representative in the
1726 US BANKRUPTCY proceedings----yet stood by, allowed this, and did nothing.

1727 In a very real sense, we had already paid our protection money---to the STATE OF
1728 ALASKA and the STATE OF ALASKA failed to perform, which resulted in this egregious harm
1729 to us and our real property assets. Instead of honoring its contract, the STATE OF ALASKA (an
1730 IMF franchise) colluded with the ALASKA COURT SYSTEM (a FEDERAL RESERVE
1731 franchise) to attack and bilk innocent civilian Third Parties.

Final Judgment and Civil Orders

1732 **To recap:** Our individual estates were claimed by the United States of America, Inc.
1733 under conditions of fraud and non-disclosure and via a process of identity theft and semantic
1734 deceit, were entered as sureties in their corporate bankruptcy proceedings. Our estates were then
1735 rolled into a Puerto Rican ESTATE trust operated under our NAMES by the US Bankruptcy
1736 Trustee, the Secretary of the Treasury of Puerto Rico. When we presented Special Appearance
1737 and redeemed the Birth Certificates issued to these ESTATES as Third Parties and produced
1738 proof that we are the living beneficiaries of these ESTATE trusts, the COURT employed by the
1739 FEDERAL RESERVE (we are their priority creditors) should have recognized our controlling
1740 interest immediately and should have discharged all debts accrued in the interim by those merely
1741 claiming to represent us.

1742 The entire claim of the FEDERAL RESERVE operating THE SUPERIOR DISTRICT
1743 COURT FOR THE STATE OF ALASKA against our trust property is, as you can see from all
1744 the foregoing, based on a series of false claims and semantic deceits. After more than a hundred
1745 years of fraud and false claims and layers of semantic deceits, it is virtually impossible to
1746 determine who actually holds title to anything in America without recourse to the Law Merchant
1747 (modern day Uniform Commercial Code) and Law of Adverse Possession.

1748 In the international jurisdiction that all these incorporated entities operate in, possession
1749 is nine-tenths of the law, and via our private internationally held *inter vivos* trust doing business
1750 as “Anna M. Riezinger-von Reitz and James C. Belcher” – a separate unified legally named and
1751 copyrighted entity operated in original jurisdiction---- my husband and I have been in open,
1752 notorious, and unopposed possession of the property described as Lots 11 and 12, Block 2, Birch
1753 Park Subdivision in Big Lake, Alaska, for more than ten (10) years, and have undertaken all the
1754 improvements thereon without exception. By adverse possession in international admiralty and
1755 also according to “statute” adopted by the corporations responsible for attacking us and
1756 published as their “law” ----the property and the assets are ours free and clear.

1757 THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA and its Officer
1758 Michelle Boutin failed to honor its own published “law” and continued its assault against us and
1759 against our ESTATE property.

1760 That we are separate, civilian, and Third Parties not owned as chattel by the United States
1761 of America, Incorporated, not standing as sureties thereof, and not made debtors merely because
1762 of fraud practiced upon us was clearly established by our actions presenting the ESTATE “Birth
1763 Certificates” to THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA. The
1764 Birth Certificates are monetized securities presented to the COURT for redemption by the actual
1765 beneficiaries of these “ESTATES” and are proof that (1) the NAMES thereon are **not** the same
1766 as the name of the trust that the property discussed in the foreclosure action is held under; (2)
1767 that the estates of the “decedants” listed were probated improperly and under false presumptions
1768 resulting in the improper hypothecation of debt against the ESTATES; (3) that we, living
1769 Americans, are the actual beneficiaries of these Puerto Rican ESTATE trusts, and that we are
1770 the equitable title holders of all the ESTATE assets, including the monthly mortgage payments
1771 that we paid in error and which are **owed to us**; (4) the ESTATES established and monetized “in
1772 our names” are Roman Inferior Trusts----as beneficiaries reclaiming our controlling interest in
1773 these ESTATES, we are owed return of all assets free and clear of debt hypothecated against our
1774 assets by any and all secondary beneficiaries----including the United States of America, Inc.,

Final Judgment and Civil Orders

1775 including the UNITED STATES, INC., including any and all debts of their franchises and
1776 agencies and corporations organized under their auspices.

1777 Attack upon our private trust dba “Anna M. Riezinger-von Reitz and James C. Belcher”
1778 is an attack against the trust property interests of American civilians who are Third Parties being
1779 harmed and defrauded as a result of improper trust administration and claims resulting from
1780 constructive fraud practiced by the officers of the United States of America, Inc. and the forced
1781 imposition of “Federal Reserve Notes” as legal tender under conditions of monopoly inducement
1782 and in breach of trust and contract.

1783 Under international law, including the international Law of the Sea, the action of THE
1784 SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA and its officer, Michelle
1785 Boutin, against our private trust and their pretended jurisdiction over our redeemed trust assets in
1786 general, is both constructive fraud and a war crime for which the United States of America
1787 (Minor) and the United Nations stand responsible.

1788 To give the non-lawyers an insight into the situation:

1789 The United States of America, Inc. acting in Breach of Trust and without granted
1790 consent, created *foreign situs* trusts which it operated under our names styled in Upper and
1791 Lower case letters: e.g., John Quincy Adams. This corporation and its officers who were under
1792 contract to defend our national trust and provide governmental services to our organic states then
1793 claimed that these *foreign situs* trusts were standing as “surety” for their own private corporate
1794 debts---circumstantially implying that individual living Americans had voluntarily agreed to
1795 stand good for the debts of the United States of America, Inc. and that they and their property
1796 and the assets of their organic states were all valid collateral for the debts of the privately owned
1797 and operated United States of America, Inc.

1798 **This was done without granted authority, without disclosure, and without consent**
1799 **by officers of a privately owned and operated corporation merely under contract to**
1800 **provide enumerated services to the victims.**

1801 It was and is pure, self-interested fraud based on semantic deceits, and it was carried out
1802 without disclosure as a “private” matter concerning only the United States of America,
1803 Incorporated and its officers---not the clearly intended victims of the constructive fraud.

1804 None of the corporate officers engaging in this activity and making these absurd claims
1805 upon the actual **employers** of the United States of America, Inc. had any granted authority to
1806 make these representations “in behalf” of anyone, much less the people they were bound to
1807 serve.

1808 The United States of America, Inc. was entered into receivership. The Trustee of the
1809 bankruptcy, the Secretary of the Treasury of Puerto Rico, promptly created new “public trusts”
1810 under the NAMES of the individual living Americans, e.g., JOHN QUINCY ADAMS, within
1811 the jurisdiction of the United States of America (Minor), and “removed” the original *foreign*
1812 *situs* trusts together with their assets to Puerto Rican jurisdiction.

Final Judgment and Civil Orders

1813 You and everything you own have (supposedly) come under the jurisdiction of Puerto
1814 Rico and the United States of America (Minor). The problem with this is that it has all been
1815 accomplished on the basis of non-disclosure and fraud and fraud vitiates---that is, utterly
1816 destroys and negates--- everything it aims to accomplish.

1817 So there is and can be no valid claim raised by any of these incorporated entities, nor by
1818 their bill collectors, against you or your estate. As the FINAL NOTICE clearly stated, this **fact**
1819 has already been **determined and decided** at the very highest levels of world governance and by
1820 the Trustee of the Global Estate Trust, the Pope, who has demanded compliance from the United
1821 States of America (Minor) and all its various corporate franchises and agencies---including the
1822 State of Alaska and the STATE OF ALASKA and from the United Nations operating the
1823 UNITED STATES and its franchise the STATE OF ALASKA and so on.

1824 All the fraud, all the false claims being made against American ESTATES, has to come
1825 to an end.

1826 What remains to be done, and what has been done in the demonstration cases, is to
1827 redeem the individual ESTATES---that is, to reclaim and restore these ESTATES and their
1828 assets to their natural beneficiaries, free and clear of all encumbrances created by fraud and by
1829 mis-administration by incompetent or criminally inclined trustees.

1830 **The proof of everything said here is evident on the face of the Birth Certificates**
1831 **provided by the various agencies responsible for administering this massive international**
1832 **fraud.**

1833 The Birth Certificate documents are all securitized and monetized---bonded, in fact, and
1834 issued on bond paper and traded on exchanges---in the NAME of Puerto Rican ESTATE trusts,
1835 as a result of **probate** proceedings and are clearly signed by **Registrars**----officers of the various
1836 local probate courts. These ESTATES are all Roman Inferior Trusts.

1837 What does this mean?

1838 JOHN QUINCY ADAMS (insert your NAME) is an ESTATE trust whose actual
1839 beneficiary is “presumed dead”.

1840 You, the living man or woman, born as an American on the land of one of the organic
1841 American states are the “missing” beneficiary, though you must hack through two layers of fraud
1842 to establish the fact and kick the butt of the American Bar Association all the way to Puerto
1843 Rico.

1844 **You, the living man or woman, are in precisely the same situation as Robinson**
1845 **Crusoe returning home after being away for twenty years. Robinson’s estate has been**
1846 **seized by the courts, probated, rolled over into a Roman Inferior Estate Trust---also known**
1847 **as a Cestui Que Vie Trust--- and handed over to his butler. The butler has had a wild**
1848 **time, charged up Robinson’s credit cards, mortgaged his estate, invested and spent his**
1849 **money, drunk up the wine cellar, and caused the Crusoe name to fall into disrepute. Now,**
1850 **at long last, Robinson has returned and presented irrefutable proof of his identity and his**
1851 **status as a living man owed the return of his property free and clear of all the debts and**

Final Judgment and Civil Orders

1852 encumbrances placed upon it as a result of misadministration, fraud, and fiduciary
1853 malfeasance on the part of his (former) butler. In addition, in this case, “Robinson” is
1854 owed reparations from the court for failure to immediately return his property to his
1855 control and void all claims established since the improper probate of his estate, and also
1856 from the corporation administering the “government” for failure to impose oversight on
1857 the probate court which colluded with the butler and gave the estate assets to the butler
1858 instead of the rightful heirs.

1859 That’s where you are now, if you are an American born on the land of one of the organic
1860 states of the Union----and it is all the result of breach of trust, gross fiduciary malfeasance,
1861 unlawful conversion, semantic deceit and non-disclosure---and other criminal activities
1862 undertaken by two foreign corporations merely hired under commercial contract to protect you
1863 and your assets and to provide nineteen enumerated governmental services. It has been further
1864 exacerbated by ignorant and corrupt state legislators who have colluded with the erring federal
1865 government officials.

1866 The FEDERAL RESERVE operating as a “new” corporation formed under the auspices
1867 of the United Nations (which is a separate international city-state), is pretending that it owns you
1868 as a slave and owns your ESTATE assets, too. It is pretending that it, not we, have controlling
1869 interest in our ESTATE assets, and even though its claims are clearly rebutted and disproven as a
1870 self-serving fiction, it is continuing to prosecute marine salvage liens under “Special Admiralty”
1871 rules created by these perpetrators to expedite this fraud against Americans.

1872 This unlawful prosecution is continuing even though we have presented the “certificates”
1873 issued by the probate court to form our “ESTATES” under the false presumption of our death
1874 and by presenting these to the COURT and properly identifying ourselves, we have in fact
1875 “redeemed” our ESTATES and placed them back in their original jurisdiction and under our
1876 private control.

1877 We have objected to the fraud and to the strong-arm extortion that the FEDERAL
1878 RESERVE and its agencies dba the ALASKA COURT SYSTEM, INC. and THE SUPERIOR
1879 DISTRICT COURT FOR THE STATE OF ALASKA have engaged in against us, and we are
1880 holding the STATE OF ALASKA as the local franchise of the UNITED STATES, INC. ---the
1881 Trustee---responsible for failing to take action in our behalf and failure to exercise administrative
1882 control over corporations that have been formed under UNITED STATES auspices and which
1883 are operating in a criminal fashion against the peaceful inhabitants of the land.

1884 **There either is or is not a contract.**

1885 These corporations are operating in violation of their charters and are subject to
1886 dissolution as criminal enterprises. We have demanded immediate correction and to date, they
1887 have not self-corrected nor has the STATE OF ALASKA taken the necessary action as the local
1888 franchise operator to impose correction. The GOVERNOR and ATTORNEY GENERAL are
1889 culpable in the extreme for this circumstance and also responsible for the continuing false arrest
1890 of Alaskans James L. Jensen, Jr. and Robin L. Jensen.

To: All Concerned and All Recipients of FINAL NOTICE - February 3, 2014

Final Judgment and Civil Orders

1891 In their most recent and audacious move yet, THE SUPERIOR COURT FOR THE
1892 STATE OF ALASKA, yet another “COURT” separate and distinct from “THE SUPERIOR
1893 DISTRICT COURT FOR THE STATE OF ALASKA” has “ordered” the “execution sale” of
1894 property and assets belonging to us that are **not** mortgaged and **not** under any valid contract
1895 whatsoever with **any** entity created by, belonging to, or administered by these charlatans or the
1896 banks that operate them, properties which have already been formally released from any “federal
1897 lien” whatsoever. They and their officer, Michelle Boutin, have advertised a “JUDICIAL
1898 FORECLOSURE SALE” in the absence of any “judicial” power whatsoever.

1899 Every member of the law enforcement agencies and the military commanders are on
1900 Notice of this circumstance, from the Provost Marshals to the U.S.marshals Office, to the FBI to
1901 the Alaska State Troopers. So is Interpol. And so is the Pope.

1902 **The same exact circumstances and conditions apply to the misadministration of the**
1903 **ESTATES of 390 million Americans, and it must be resolved in their favor.**

1904 Meanwhile it is important for everyone involved to understand that the “government” is
1905 just another corporation under contract to provide specified services for hire, that this problem is
1906 not limited to America, and that the real civil government resides in the individual living
1907 Americans who have **unlimited civil power** on the land of the organic states.

1908 **All of the crimes, frauds, and failures described herein have taken place outside the**
1909 **land jurisdiction of The United States of America and in “international waters” --- but it**
1910 **hardly matters, because fraud is fraud upon the sea as upon the land, and fraud vitiates all**
1911 **claims based upon it.**

1912 On May 28, 2014, officers of THE SUPERIOR COURT FOR THE STATE OF
1913 ALASKA are advertising a “JUDICIAL FORECLOSURE SALE” of some of our **redeemed**
1914 ESTATE property under the patently self-serving and continuing false presumption that we,
1915 living Americans, and our **redeemed** ESTATES, are sureties for the debts of the United States of
1916 America, Inc. and are responsible for the expenses of its BANKRUPTCY TRUSTEES, including
1917 their expenses to prosecute our ESTATES under these false presumptions in the TRUSTEE’S
1918 own private COURTS.

1919 However, this fraud has been fully recognized by the Global Estate Trust.

1920 We are the priority creditors of the bankrupt United States of America, Inc. We are their
1921 employers and creditors, not the employees and not the debtors in this situation.

1922 The men engaging in these acts of mis-administration are criminals who have worked a
1923 complex, highly coercive, and multi-generational fraud scheme known as a “Reverse Trust
1924 Scheme” against us, against every other American born on the land, and against many other
1925 national governments as well.

1926 If the international banks and the members of the BAR Associations do not come into
1927 compliance with the actual law and respect the property rights of Americans, Canadians, and
1928 others who have been impacted by similar “public trust” schemes, their corporations will be
1929 dissolved and their professional associations will be outlawed. Individual bankers and lawyers

Final Judgment and Civil Orders

1930 who have knowingly and willingly participated in this fraud will be branded as criminals, their
1931 property will be confiscated, and they will be deported from The United States of America
1932 (Major).

1933 It's really that simple and just a matter of time before everyone knows what has gone on
1934 here, who did it, who is responsible for this deplorable criminality, and why. Those responsible
1935 would do well to take *immediate* determined action to correct.

1936 **21. Are the accompanying "Civil Orders" legitimate? Do I have to act upon them as an**
1937 **elected, appointed, or commissioned officer?**

1938 Yes, you do. Remember that every living American born on the soil of one of the fifty
1939 states United is literally an internationally recognized sovereign on the land of those states. In
1940 administering our affairs and those of our organic states, our will is absolute. These Civil Orders
1941 are issued under civil, commercial, and canon authority **without representation**. The
1942 Constitution for the united States of America, the Treaty of Paris, the applicable Treaties of
1943 Westminster, and the Treaty of Ghent, which establish and protect the national trust of The
1944 United States of America (Major) and our individual estates must be honored.

1945 American states operating in sovereign and original jurisdiction have issued these Civil
1946 Orders commanding compliance from the (E)STATE trustees, administrators, and employees,
1947 requiring their proper performance under contract. **There is no higher authority.**

1948 To reduce it to practical terms---when you accept a job, are you obligated to perform your
1949 duties? Wouldn't you expect to be fired, if you didn't? Are you obligated to obey your actual
1950 employer, the owner of the company? Or do you think you will fare better obeying a middle-
1951 manager who is giving you opposing orders and merely claiming to "represent" the boss? Do
1952 you have to perform on your contracts?

1953 We think it is obvious that you are obligated to obey your actual employers, not those
1954 who merely claim to represent them. No amount of corruption, criminality, or fraud serves to
1955 obscure the claim of Americans on American states and American private property.

1956 This is both a public and a private matter, and has been made so by acts of fraud and
1957 violence perpetuated by corporations acting in violation of their charters as criminal enterprises,
1958 all of which have been operated in maritime and admiralty jurisdictions in breach of trust.

1959 **22. Are you telling me that changing from an unincorporated government to an incorporated**
1960 **government is like an evil twin brother usurping an estate from a rightful heir?**

1961 Not quite. The United States of America (Major) has no twin, but it does have a tumor-
1962 like foreign outgrowth which has turned parasitic and which is transgressing against the Body
1963 Politic.

1964 In commercial terms--- when people act **as** people they come together in free association
1965 and act under full commercial liability. They are responsible and accountable for their debts and
1966 deeds. When people form corporations to "represent" them or their interests in some capacity,

Final Judgment and Civil Orders

1967 and bring these corporations together in association, what you get is a corporate conglomerate
1968 that is **not** fully accountable for its debts and deeds because of the corporate veil. This “veil” is
1969 the same veil that stands between life and death.

1970 Incorporated “persons”---which include commercial corporations, trusts, cooperatives,
1971 trusts, and foundations--- are considered dead. They have no motive force of their own. They
1972 are operated by third parties under charters granted by nations and states that have themselves all
1973 been chartered by the Holy See. Such entities have a natural limited liability, because they are
1974 not conscious. When such entities are formed, the intentions and purposes of their creators are
1975 clearly stated and typically include a catch-all phrase--- “any other lawful purpose” ---to cover
1976 additional unforeseen circumstances. All corporations are required to function lawfully and in
1977 accord with their charters. Any violation of their charter, such as deviation from their stated
1978 purpose or failure to perform it, any unlawful activity whatsoever, provides grounds to demand
1979 dissolution of a corporate entity and distribution of its assets to its creditors.

1980 Because corporations are not fully liable for “their” acts, they are allowed to go bankrupt
1981 without prejudice against their owners and operators. Only assets belonging to the corporation
1982 are subject to bankruptcy. The privately held assets of the owners and operators are not affected.

1983 Thus, when the United States of America, Incorporated, went bankrupt in 1933, its
1984 President, Franklin Delano Roosevelt, was not bankrupted and neither were the members of the
1985 “US Congress” running it as corporate officers. The organic states and the American people
1986 should never have been subject to its bankruptcy, either, and wouldn’t have been, except that the
1987 Roosevelt Administration falsely and deliberately claimed that they were “voluntary” assets
1988 standing as surety for the debts of the United States of America, Inc.

1989 This claim was based on a “pledge” made by the Conference of Governors acting on
1990 March 6, 1933. These “Governors” ---- men operating “State” franchises of the United States of
1991 America, Inc.---gratuitously promised the “good faith and credit of their states and the citizenry
1992 thereof” without bothering to explicitly say which or what kind of “state” or “citizenry” they
1993 were referring to when they made this pledge. Everyone present presumably knew that their
1994 public office did not grant them any ability to promise resources belonging to the American
1995 states much less the private property of the American People, but the creditors gleefully
1996 presumed that the organic states and the American people were legitimately on the hook,
1997 extended vast amounts of credit to the perpetrators, and began advancing false claims against the
1998 resources of the organic states and the private property of the American People.

1999 Imagine that Burger King, International, went bankrupt, called a meeting of all the local
2000 franchise owners, and asked them to pledge the assets **of their customers** as collateral backing
2001 the debts of Burger King, International.

2002 That’s what happened in 1933.

2003 There’s just one real monkey wrench in this for the perpetrators and their central bank
2004 buddies. **It’s all fraud and fraud vitiates everything it touches.** The “Governors” had no
2005 legitimate authority to pledge even a square foot of American soil, much less pledge the private
2006 property assets of the American People. That they purported to do this and that the self-interested

Final Judgment and Civil Orders

2007 bankers and lawyers allowed them to do this, is an act of criminality that staggers the
2008 imagination.

2009 It is identity theft, impersonation of public officials, semantic deceit, unlawful
2010 conversion, and constructive fraud carried out on a planetary basis. Not only were the American
2011 People and their organic states cruelly victimized, so were their friends and neighbors and
2012 trading partners. Meanwhile, the members of the “US Congress” changed hats to become
2013 members of the “US CONGRESS”, and, glutting on the vast amounts of credit being offered to
2014 them----all based on their patently false claim that they had granted authority to sell everything
2015 and everyone in America as chattel and to use us and our land as surety for their private
2016 corporate debts--- they charged up our credit cards to the hilt and left us to pay the bill.

2017 That is why the “US government” needs to be entirely reformed, the reason that every
2018 member of “CONGRESS” and every “GOVERNOR” and every member of every “STATE
2019 LEGISLATURE” needs to be jack-booted in the rump, the reason that the assets of all the
2020 complicit banks need to be confiscated, the reason that the current banking institutions and their
2021 supposed “watch dog agencies” like the SEC need to be dissolved as criminal enterprises, the
2022 reason that all “national debt” needs to be repudiated worldwide, the reason that the Bar
2023 Associations –worldwide--- need to be disbanded and outlawed, the reason that the “City State”
2024 status of the District of Columbia and the United Nations ---both---needs to be rescinded, the
2025 reason that the English People likewise need to rescind the “City State” status of the Inner City
2026 of London and flush Fleet Street and the Crown Temple into the Thames..

2027 The immense power of the Pope’s Temporal Office needs to be employed to straighten
2028 out this steaming manure pile of government “service” organizations once and for all.

2029 How are we going to accomplish this? Simple. We tell each other the truth, we forgive
2030 each other, we liquidate the offending corporations, we prosecute those who have purposefully
2031 and knowingly perpetuated this fraud, and we start over with a clean slate. The People of
2032 Iceland have already done this successfully. There is no reason that the rest of the world can’t do
2033 the same.

2034 As for the American People it is long overdue for us to dust off our laurels and walk the
2035 walk as true world leaders, instead of allowing ourselves to be directed by thugs, and letting
2036 criminals set up shop in our banks, courthouses, and seats of government. A housecleaning of
2037 major proportions is long overdue, and the image of “Rosie, the Riveter” comes to mind.

2038 The perpetrators of this fraud will want to defend themselves and continue making their
2039 false claims and continue bilking the American People. They will make all sorts of threats and
2040 accusations and try to start trouble, maybe even try to make the American Armed Services and
2041 other “government agencies” use force against the People of the Land. If they do so, they will
2042 only identify themselves as criminals and make their status as criminals crystal clear for the
2043 entire world to see.

2044 **23. There are really only 22 questions, but this one answers the dreadful unasked moral**
2045 **question.**

To: All Concerned and All Recipients of FINAL NOTICE - February 3, 2014

Final Judgment and Civil Orders

2046 Pity Pope Francis, the man who has inherited this incredible convoluted and criminal
2047 mess. He is doing his best to straighten it out, but he needs help---your help. If you are an
2048 American and the least bit interested in your own future and the false claims being made against
2049 your property assets and those of your organic states, it is time to take affirmative, positive,
2050 determined, and non-violent action.

2051 Pope Francis is being attacked, viciously, by hired media and propaganda masters who
2052 are working hard every day at the behest of the banks and the Bar Associations to vilify the
2053 Roman Catholic Church--- which is now the primary obstacle in the way of achieving ---not a
2054 gentle, kind, unified government for the world that respects free will and individual people as
2055 Children of God----but a demonic version sponsored by the Crown Temple.

2056 These two organizations are rivals by design. The Roman Catholic Church worships
2057 God, the Creator. The Crown Temple worships Lucifer, the Liar. In past ages these
2058 organizations have engaged as necessary evils endemic to creation, each one bent on corrupting
2059 the other in an endless cycle ---one drawing good out of evil, and the other dedicated to creating
2060 evil out of good.

2061 This reflects the duality seen everywhere and in everyone.

2062 The Church stands in bright light, in robes of white, advocating life. The Crown Temple
2063 stands in the darkness, wears robes of black, and advocates death.

2064 It is no coincidence that the followers of Lucifer indulge in such a fantastic array of
2065 semantic deceptions, false identities, corporate personas, and lies, for they literally worship the
2066 Father of All Lies. It is no mistake that they seize by deceit and violence and lay waste to human
2067 lives, because they worship Satan. This is not really any secret. They have existed and
2068 endeavored to rule over everyone else since 3760 BC. They were insane then and they are insane
2069 now. In Babylon, their priests self-castrated and practiced every possible kind of violence and
2070 black magic. They murdered (by burning alive) infants in the name of their goddess. All that has
2071 changed is that in modern times cult members keep their working parts and worship a male deity
2072 instead. They still defend mass murder of infants. They still deal in illusions---legal **fiction**
2073 entities and fiat money. They still wear black robes.

2074 Which side will win the eternal battle?

2075 Pope Francis is standing firm for all that is right and real, for life, for love, for justice, for
2076 truth. Those in charge of the Crown Temple are standing just as firm for evil, for death, for
2077 hatred, for injustice, for lies. At any time, the Pope could falter and become the Anti-Christ. At
2078 any time, the Anti-Christ could fail and be relinquished to the dustbin of history.

2079 The great dream of the Church is the Kingdom of God on earth, a peaceful kingdom built
2080 on life and love. The great dream of the Crown Temple is to rule, period, forever, as the slave
2081 master of others. Just as “the United States of America (Minor)” pretends to be The United
2082 States of America (Major), the Crown Temple often pretends to be the Roman Catholic Church.
2083 Sometimes, quite often, they succeed in planting their operatives in the Church.

Final Judgment and Civil Orders

2084 That's why the Church gets branded with all the infamy and violence that results when
2085 one of the Crown Temple members gains prominence. Crown Temple initiates brought us the
2086 Inquisition and similar atrocities---all "in the name of" and wearing the vestments of the Roman
2087 Catholic Church. This is why the Church has been bedecked with gold and jewels and treasures,
2088 surrounded by Egyptian obelisks and other fertility symbols---not to reflect a love of God, but to
2089 glorify a perverse worship of sexuality, not to adorn the Church, but to silently coerce and
2090 implicate and tempt and deceive and enslave and provide excuse to accuse the Roman Catholic
2091 Church of all the sins of the Crown Temple. To this day, all priests of Satan must first gain
2092 priesthood in the Roman Catholic Church: if you are dedicated and duplicitous enough to be
2093 ordained as a Roman Catholic priest while secretly worshipping Lucifer, you have passed your
2094 entry level test as a Satanist.

2095 Apologists have tried to excuse the existence of the Crown Temple as a necessary evil
2096 built into the fabric of the natural world. They postulate that without its lies and fake money and
2097 the violence and conflict it perpetuates every day, people would have nothing to motivate them
2098 and the world's economy would collapse. People are livestock, they say, here merely to exist
2099 for our profit, to be milked, shorn, and slaughtered. If people were allowed to use and enjoy the
2100 resources that properly belong to them, they'd sit on their rumps all day and drink pina coladas
2101 (like we do) and all the processes and work necessary for our comfort and profit would grind to a
2102 halt.

2103 Others have taken the stance that continuing to tolerate the Crown Temple in our midst is
2104 like allowing a giant colony of disease-infested rats, or a cancer, to consume the globe. The
2105 underlying insanity of the Masters of Deceit is all too apparent to justify allowing them to
2106 continue their rampages. They brought us both the First and Second World Wars without a
2107 thought or backward glance. During their hegemony in America, they have kept the American
2108 people constantly embroiled in wars for profit throughout the globe, which has caused
2109 Americans to be hated and feared by decent and innocent people everywhere. They have done
2110 this at the same time that they have bilked the American "taxpayers" for credit that supposedly
2111 supports welfare recipients and foreign aid---but which is actually siphoned off to benefit the
2112 criminals and fund their operations among us.

2113 **Less than 20% of all money supposedly appropriated for welfare payments and less**
2114 **than 2% of foreign aid ever reaches its purported destinations.**

2115 Nothing is what it seems. The courts are the criminals. The "money" is worthless debt.
2116 The gods are the servants. The students are the teachers. Everything on earth is upside down and
2117 reversed. Everything that you think is separate is in fact unified and everything that you think is
2118 wrong is ultimately right.

2119 **Perhaps most important---everything that you think is secret is fully known.**

2120 Those who describe their brothers and sisters as "useless eaters" and who strive to
2121 defraud and control and pillage and rape and murder for profit and pleasure, and also those who
2122 refuse to forgive and refuse to provide justice-----take note---**there are no secrets**. From that
2123 enlightened perspective, you will finally see the very real need to reform your precious Self.

Final Judgment and Civil Orders

2124 All those who cherish what is good in their hearts, who know their weakness, who are
2125 able to feel love and gratitude, who yearn for justice, who sigh and moan every day for relief---
2126 all your deeds, motives, and circumstances, even the inmost desires of your hearts are also
2127 known.

2128 So it is written that what is done in secret will be declared from the housetops, and that
2129 the truth shall set men free.

2130 The truth will inevitably invade your mind like a virus download onto a computer. You
2131 will realize that nobody can represent you and that “representative government” is a ridiculous
2132 lie. You will require government to be your servant, not a ruler over you. You will know that
2133 you belong to the land, and that the land does not belong to you. You will know that lines drawn
2134 on a map are just lines on a map. You will see the illusions within which you have lived, and you
2135 will realize your guilt in the same breath that you behold your victimhood.

2136 **You can be a shepherd or you can be a wolf, but you can no longer be a sheep.**

2137 The great sin for which the Americans are responsible does not digest the world in the
2138 bowels of London, but roams on the Great Plains of America and throughout the 50 states
2139 United. It is in the hearts and minds and lives of the American Indians we have attacked and
2140 defrauded, reducing them to abject poverty and alienation via actual and cultural genocide.

2141 **The American Indians have suffered so terribly because they know and hold onto**
2142 **this one, simple truth: we do not own land.**

2143 Nobody does.

2144 The land owns us.

2145 Like every other lie and illusion practiced by the Crown Temple, Europeans became
2146 infected early on with the idea that men could own land, and based upon this central lie, a vast
2147 complex of other lies has been built.

2148 The followers of the Crown Temple have created, engendered, and promoted this insanity
2149 as a means to control others and provide endless excuses for conflict---which creates profit for
2150 themselves at everyone else’s expense. The idea of “incorporation” is similarly immoral, insane,
2151 and destructive. Commercial corporations exist for one reason only---to escape accountability.
2152 On this basis alone their existence should be outlawed. The Great Lie of representative
2153 government is another chestnut created by the Crown Temple, a blatant impossibility that has
2154 been enshrined without question for over two hundred years.

2155 When the Americans declared that all men are equal, they meant it. There is no basis for
2156 the empowerment of one equal over another *equal*. Likewise when they declared their
2157 determination to enjoy free speech, free travel, and other rights of Nature, there was no room left
2158 for the egotism of rebellious public servants. Under American law and under the American
2159 government there is no power greater than each individual. This means that we cannot be
2160 represented and though we may transgress and may even be outlawed, we cannot be harassed,

- 2169 1. Treaties with St. Boniface and Treaties Between the Holy See and King Pepin the Short
2170 of the Franks; Pepin delivered and defended the Papal states of the Holy See, confirming
2171 the “temporal powers” of Rome and laying the groundwork for his son, Charlemagne, to
2172 create the First Holy Roman Empire. (751-800 A.D.)
- 2173 2. Charter of the First Holy Roman Empire, 800 A.D.
- 2174 3. King John of England breaks with the Roman Catholic Church, 1209. Edict of
2175 Excommunication of John of England.
- 2176 4. Treaty of King John of England, Cede to Innocent III, 1213 A.D. John agrees that
2177 England and Ireland are both “fiefs” of Rome, and that his own crown will be forfeit to
2178 Rome if he breaks his sworn agreements favoring the Pope.
- 2179 5. Magna Carta 1215 A.D. In signing the Magna Carta King John silently invoked the 1213
2180 Papal agreement relinquishing his crown to the Pope. Thereafter, all lands explored and
2181 claimed in behalf of Catholic Monarchs and **including the British Monarch as a vassal**
2182 **of Rome**, were in fact first and wholly claimed in behalf of the Holy See, which returned
2183 a portion of the profit to the vassal monarchs in the form of “jurisdictions”. The Holy
2184 See retained the global jurisdiction of the air, granted jurisdiction of the land to temporal
2185 authorities (recognized monarchs), and granted the international jurisdiction of the sea to
2186 the British Crown Temple to be administered under the ancient Law of the Sea
2187 (international admiralty) and Law Merchant (now Uniform Commercial Code).

2227 27. The Lieber Code also known as General Order 100, April 24, 1863, by President
2228 Abraham Lincoln as Commander in Chief, making the Union Army responsible for
2229 proper administration of the monetary system, protection of the National Trust, and fair
2230 treatment of the Southern States and their inhabitants during reconstruction. The Lieber
2231 Code requires the Army, or in modern terms, the Department of Defense, to pay
2232 reparations to all non-combatant civilians harmed. This Code has never been repealed or
2233 changed. It is the reason that we continue to have “Secretary **Generals**” and “US
2234 Postmaster **Generals**” and “Attorney **Generals**” and “Inspector **Generals**” and

- 2246 31. The Act of 1871 – Formally incorporated the municipal (city state) government of the
2247 District of Columbia as a separate nation operated according to its own government and
2248 code.
- 2249 32. Merriam's Estate, 36 NE 505, 506 22: "... the United States is to be regarded as a body
2250 politic and corporate. ... It is suggested that the United States is to be regarded as a
2251 domestic corporation, so far as the State of New York is concerned. We think this
2252 contention has no support in reason or authority. ... The United States is a foreign
2253 corporation in relation to a State."
- 2254 33. U.S. v. Anthony 24 Fed. 829 (1873) "The term resident and citizen of the United States is
2255 distinguished from a Citizen of one of the several states, in that the former is a special
2256 class of citizen created by Congress." Though the judge fails to fully admit the
2257 circumstance, "US citizenship" was created as an excuse for the "government" to claim
2258 ownership of all the slaves supposedly freed by the Civil War as chattel backing Union
2259 war debts. To this day, black Americans have only "Civil Rights".
- 2260 34. U.S. v. Cruikshank, 92 U.S. 542, 23 L.Ed. 588, (1875). "There is in our political system
2261 [two governments], a government of the Several [50] States, and a government of the
2262 United States. Each is distinct from the other and has citizens of its own. A person may
2263 be a citizen of the United States and of a State, and as such have different rights."
- 2264 35. United States v. Germane, 99 U.S. 508 (1879), Norton v. Shelby County, 118 U.S. 425,
2265 441, 6 S.Ct. 1121 (1866), etc., dating to Pope v. Commissioner, 138 F.2d 1006, 1009 (6th
2266 Cir. 1943); where the state is concerned, the most recent corresponding decision was
2267 State v. Pinckney, 276 N.W.2d 433,436 (Iowa 1979). All these are supporting case law
2268 establishing res judicata regarding the nature of The United States (original TMO) and a
2269 State (one of "Several States" of the Union) as first expressed in the Merriam's Estate
2270 case cited above.

- 2274 37. Title 8 USC 1101 (a) (21) the birthright status of "American Nationals" is recognized.
2275 Under the statutory law of the United States of America, Inc. there is absolute distinction
2276 between "US citizens" and "American Nationals".
- 2277 38. The Clearfield Doctrine and USC Title 22: When a government operates as a commercial
2278 corporation it descends to the level of all such corporations and has no special powers or
2279 attributes. It is only when acting as a properly formed unincorporated Body Politic that a
2280 government exercises sovereign power of any kind. Virtually all governments operating
2281 in the world today are for-profit corporations under contract to provide governmental
2282 services. The American "US (Major)" government hasn't operated as a sovereign entity
2283 since 1865. The US (Minor) government operates as a corporation.
- 2284 39. The Insular Tariff Cases, US Supreme Court, 1900-1904 – A series of US Supreme Court

2290 governments, one to be maintained under the Constitution, with all its restrictions, the
2291 other to be maintained by Congress outside and independently of that instrument, by
2292 exercising such powers as other nations of the earth are accustomed to...a radical and
2293 mischievous change in our system of government will result...We will, in that event, pass
2294 from the era of constitutional liberty guarded and protected by a written constitution into
2295 an era of legislative absolutism...It will be an evil day for American liberty if the theory
2296 of a government outside the supreme law of the land finds lodgment in our constitutional
2297 jurisprudence."
- 2298 40. Charter of The Corporation Trust Company of America, 1907 A.D.
- 2299 41. *Hendrick v. Maryland S.C. Reporter's Rd.* 610-625. (1914) "A "US Citizen" upon
2300 leaving the District of Columbia becomes involved in "interstate commerce", as a
2301 "resident" does not have the common-law right to travel, of a Citizen of one of the
2302 several states." This "power of the Congress" to rule over the people of the District of
2303 Columbia and the Insular states was used as an excuse to impose Drivers Licenses on
2304 "US citizens" living outside the confines of the United States of America (Minor) and
2305 mis-applied to Citizens of The United States of America (Major)--- so-called "State
2306 Citizens" who were entrapped into contract by a process of mis-administration and legal
2307 presumption. This applies to the myriad "licenses" and "codes" that have been mis-
2308 applied to the American People under undisclosed, misrepresented, and otherwise invalid
2309 private contracts.
- 2310 42. The Federal Reserve Act, 1913. Allows a private for-profit banking association doing
2311 business under the purposefully deceitful name of "Federal Reserve" to commandeer the
2312 national monetary and economic systems, allowing these banks to print money and back
2313 only a small "fractional" portion of it with gold or silver. Later, they will be allowed to
2314 back the money with nothing at all but the promises of the US Congress.
- 2315 43. Trading With the Enemy Act, Public Law No. 65-91 (40 Stat. L. 411) October 6, 1917,
2316 defines non-combatant American civilian Nationals and their States as "enemies" of the
2317 United States of America (Minor). This Act originally excluded citizens of the United
2318 States, but in the Act of March 9, 1933, Section 2 amended this to include "any person
2319 within the United States or any place subject to the jurisdiction thereof". This has been
2320 used as a self-serving and transparent excuse to commit fraud and violence against
2321 Americans who never recognized any such "state of war" between themselves or their
2322 States and the United States of America (Minor) and who were instead already owed full
2323 fiduciary care under commercial equity contract (The Constitution for the united States of
2324 America), reparations under the Lieber Code, and trusteeship from the Global Estate
2325 Trust.
- 2326 44. The Maternity Act /The Sheppard-Towner Act, 1921, first foray into socialized medicine
2327 and "registration" of live births.
- 2328 45. Minutes of the Geneva Convention(s), May 1930. Declares international bankruptcy via
2329 treaties between the G5 nations. The United States of America, Inc. was bankrupted
2330 internationally along with the Trust Management Organizations of four European nations
2331 including Great Britain, which caused a domino effect worldwide bankruptcy. Please

- 2337 46. Amended Charter renaming the above as The Corporation Trust Company, April 15,
2338 1930.
- 2339 47. Executive Order 6073 issued on March 10, 1933, created the "bank holiday" and closed
2340 the doors of the bankrupt government chartered banks (they were bankrupted as a whole
2341 because they operated under government charter, and because of the Great Fraud
2342 committed by the Governors of the several States, **not because they were individually**
2343 **bankrupt**).
- 2344 48. Executive Order 6102 issued on April 5, 1933, prohibited "hoarding" gold and required
2345 people to turn it (their private property) in to the Federal Reserve Banks (the creditors)
2346 under the false and undisclosed presumption that they were volunteering to stand as
2347 sureties for the debts of the United States of America, Inc.
- 2348 49. Executive Order 6111 issued on April 20, 1933, prohibited people from exporting gold.
2349 The creditors (banks) claimed that all the gold in private hands in the Several (now 50)
2350 States no longer belonged to the State Citizens and other Inhabitants, as a result of having
2351 been pledged by corporate officers of the privately owned and operated United States of
2352 America, Inc. acting as deceitfully named State "Governors" so confiscation of privately
2353 held American gold resources was instituted under conditions of false pretense and
2354 semantic deceit by officers of a bankrupted privately owned and operated Trust
2355 Management Organization and their creditors, privately owned and operated international
2356 banks---the World Bank (now IMF), IBRD, and Federal Reserve.

2359 **U.S. Statutes at Large, Vol. 1, Public Acts, 3rd Congress, 2nd Session, Chapter 48,**
2360 **especially 48.48.112** ---This is the commercial remedy that the perpetrators were
2361 required to create to make their confiscation of private gold and hypothecated titles to
2362 private land and business holdings "legal". This remedy like the underlying surreptitious
2363 hypothecation of debt and claims against private property made by the officers of the
2364 United States of America, Inc. against the American Nationals was never widely
2365 circulated or disclosed for obvious reasons. Unaware of how they'd been injured and
2366 abused by those obligated to act as their Trustees, the inhabitants of the land were equally
2367 unable to access this remedy, which was for the government corporation to literally pre-
2368 pay all debts owed by the *foreign situs* trusts created to stand as sureties of the United
2369 States of America, Inc. Like irresponsible teenagers promising to make the payments on
2370 a car, the US Congress "resolved" to pay its debts in such a way that the secondaries---
2371 the presumed co-signers on their loans, the *foreign situs* trusts they named after American
2372 Nationals---would never default, and in theory, the living American Nationals would
2373 never be dunned or otherwise impacted by their fraudulent semantic deceits and false
2374 claims.

2375

2376 In actual practice, the voucher and coupon system which should have been ubiquitously

2378 both collecting taxes and dispensing credit owed individual accounts was split into two

2379 distinct and separate entities, the Internal Revenue Service operated by the Federal
2380 Reserve and the IRS operated by the International Monetary Fund, which colluded to
2381 confuse and defraud the living people, billing them “as if” they owed the tax bills and
2382 forcing them to pay the debts of the make-believe *foreign situs* trusts operated under their
2383 names using Federal Reserve Notes, a process that not only failed to pay the debts of
2384 these “fictional citizens” of the United States of America (Minor) but left the American
2385 Nationals even further in debt as a result of interest and service fees and import duties
2386 charged by the same banks.

- 2388 50. U.S. Bankruptcy Act of 1933, especially Section 101 (11)--- Declares the American
2389 People as the Creditors, the “United States” as the Obligor, or Debtor. This established
2390 that the signatures of Americans were to be used as credit, but the “State” franchises of
2391 the United States of America, Inc, dba “United States”, “State of Ohio”, etc., and their
2392 Trustees, dba Secretary of the Treasury of Puerto Rico, Custodian of Alien Property,
2393 Comptroller of the Currency, etc., were to discharge **all** debts.

2397 Committee, US Congressional Record, pp. 4055-4058”
- 2398 52. The Naturalization Act of 1935. More deceitful efforts to entrap American Nationals and
2399 claim that they were “US citizens” subject to the whims of the “US CONGRESS”.
- 2400 53. 49 Statute 3097 Treaty Series 881 (Convention on Rights and Duties of States) December
2401 26, 1933---enacted as a result of the bankruptcies, both national and international, by the
2402 US CONGRESS---newly redefined to operate the UNITED STATES, INC. --- replaced
2403 all the “statutory law” (Federal Code and State Statutes) with international law. That is,
2404 the bankrupted United States of America, Inc. continued in reorganization to function
2405 under Federal Code, but the UNITED STATES, INC. operated by the IMF operates
2406 under the Uniform Commercial Code and International Admiralty jurisdiction.
- 2407 54. Social Security Act, 1935. Contrives under conditions of conceit and non-disclosure to
2408 register everyone applying for any job, public or private, and to conscript them under

2420 of States” (See UCC 1-207 Definitions) allowed this “enfranchisement” to stand as an
2421 excuse for claims of ownership and controlling interest in the assets of the individual

- 2436 61. Administrative Procedures Act (1946) provides statutory admission that the ESTATES of
2437 American Nationals are the priority creditors of the United States of America, Inc. and

2439 officers” administering their own ESTATES are enabled to bring administrative claims
2440 against the United States of America, Inc. assets and also against the UNITED STATES.
2441 This is where we got two court systems with differently styled names--- “The US District
2442 Court” and “THE US DISTRICT COURT” for example. This was the remedy offered to
2443 the victims of the first fraud for the **second** fraud carried out against them by the
2444 UNITED NATIONS and the US Bankruptcy Trustee, when they rolled the assets of the
2445 individual *foreign situs* trusts into Roman Inferior ESTATE trusts. Like the first remedy,
2446 this second remedy was never delivered to the people. The perpetrator banking cartels
2447 which were by now funding both the Courts and the COURTS simply ordered their
2448 employees not to recognize the identities and standing of the American Nationals,
2449 conveniently laying claim to their ESTATES without providing remedy to them for the
2450 theft of controlling interest in their assets and misappropriation of their good faith and
2451 credit.

2453 [Outside of Constitutional authority is 100% private authority – NO lawful authority. 18
2454 USC 2381-85 Treason - Sedition.] OPINION, FOX, Chief Judge (U.S. District Court of
2455 Michigan): “A mere statement of this fact may not seem very significant; corporations,
2456 after all, are not supposed to exercise the governmental powers with which the Bill of
2457 Rights was concerned. But this has been radically changed by the emergence of the
2458 public-private state. Today private institutions do exercise governmental power; more,
2459 indeed, than 'government' itself We have two governments in America, then-one
2460 under the Constitution and a much greater one not under the Constitution. In short, the
2461 inapplicability of our Bill of Rights is one of the crucial facts of American life today." **In**
2462 **fact, American Nationals are owed the Bill of Rights as they always have been. “US**
2463 **citizens” are not owed the Bill of Rights.** The problem is that we have all been self-
2464 interestedly mis-identified as “US citizens”---a crime known as “personage” carried out
2465 against us by individuals and corporations in our employment and under contract to
2466 provide governmental services.

2475 when American Nationals are arbitrarily defined as “US citizens” and harassed by agents
2476 of the United States of America (Minor) and the UNITED STATES, INC. into acting as
2477 “Withholding Agents”, “Federal Contracting Agents”, or members of the Armed Forces,
2478 or as Federal Employees of any stamp, they temporarily and **for as long as they continue**
2479 **to act “in office”** lose the protections and benefits of their birthright citizenship. This
2480 “presumption of employment” is often used by the corporate administrative tribunals to

WHERE TO NOW?

2502

(Slightly amended April 20, 2014)

2503 Since issuing the FINAL JUDGMENT AND CIVIL ORDERS people have asked, now what?
2504 We are not standing in the Shoes of the Fishermen. All we can provide is an educated opinion
2505 offered in goodwill to the American people. Here is what we would do:

2506 **As individuals:** know who you are and take action accordingly. Are you a birthright American
2507 National? Or are you rightly considered a “US citizen”? If you are a “US citizen” is it a
2508 permanent or temporary condition of employment?

2509 **Federal employees and members of the active duty military** are considered “US citizens”
2510 during their employment, but they have the absolute right to quit their jobs or void their contracts

Updated: October 14, 2014

Final Judgment and Civil Orders

2511 (military service) if they are required to act in any manner contrary to the Law of the Land
2512 known as “The Constitution for the united States of America” while on the land.

2513 **All American Negroes** are similarly considered “US citizens” because the individual states did
2514 not act to formally recognize their State Citizenship at the end of the Civil War; however, this
2515 condition can be addressed in a number of ways. First, the United States of America (Minor) has
2516 guaranteed “equal civil rights”----equal to the rights of American Nationals, which includes the
2517 right to refuse any claims made by the United States of America (Minor) upon you, your persons,
2518 or your ESTATES. Second, you can push the reorganized and lawful state legislatures to
2519 formally recognize your equal status as Americans born on the land of the American states. That
2520 should have been done 150 years ago, but better late than never.

2521 **“Foreign” Welfare Recipients** --- Americans are considered to be “foreigners” with respect to
2522 the United States of America (Minor) and anyone receiving welfare benefits is considered to be a
2523 “US citizen”, however, because these programs have been funded with American credit obtained
2524 under conditions of fraud and often have been entirely paid for by the recipients as a group (as in
2525 the case of Social Security), some other compelling basis would have to be established before the
2526 United States of America (Minor) could convincingly claim American welfare recipients as “US
2527 citizens”.

2528 **Retirees** – the United States of America (Minor) will no doubt attempt to claim that American
2529 Retirees owed Social Security Insurance coverage are “welfare recipients” receiving “benefits”
2530 (see above). Individual retirees need to object to this “interpretation” of their status and give
2531 notice to the Social Security Administration that it is their understanding that Social Security is
2532 and was a retirement insurance program that they paid into and are vested in, and not in any way
2533 welfare or benefit of any Public Charitable Trust. This is just more self-interested deceit.
2534 American workers paid for every drop of their retirement insurance coverage and are
2535 grandfathered in once vested, just as with any other **private** insurance program. Receipt of Social
2536 Security payments does not provide any claim against your status as an American National. If
2537 the Social Security Administration goes bankrupt, the United States of America (Minor) will be
2538 charged as secondary, and so on up the food chain.

2539 **Obamacare** – is a brazen attempt to corner the market on medical insurance by the federal
2540 corporation. Ask yourselves----does Blue Cross have any right to “tax” me or force me to buy
2541 insurance coverage from them? If not, neither does E PLURIBUS UNUM THE UNITED
2542 STATES OF AMERICA, Inc. Just say, “No.” You are not a “US citizen” and you are not
2543 obligated to pay or obey.

2544 **Internal Revenue/IRS** --- recognize that these are two separate agencies, one representing the
2545 Federal Reserve System, one representing the International Monetary Fund. They act in two
2546 separate roles. One owes you a lot of money and is obligated to pay any and all debts your
2547 ESTATE may owe from a credit account established using nine digits without dashes:
2548 *123456789” and the other is owed moderate service fees for providing public services and
2549 operates a debt account under the same number separated by dashes: 123-45-6789. These two
2550 agencies work together to defraud you, but you have the absolute right to act as the Civil
2551 Executor on the Land of your own ESTATE, and once you have proven who you are, you have

Final Judgment and Civil Orders

2552 every right to tell the holder of the debt (IRS) to bill the holder of the credit (Internal Revenue
2553 Service) and to discharge any taxes, tithes, or fees owed by the ESTATE.

2554 **State Legislators** – immediately enter your **public offices**, take valid oaths to the “Alaska state”
2555 and the “living Alaskan people” (or whatever other state, such as “illinois” and people
2556 “Illionoians” you believe you represent), and act together as an **unincorporated** Body Politic to
2557 demand (1) release of all land within the state’s geographically defined borders that are not
2558 specifically granted for “federal” use under permit, such as “federal courthouses”, military bases,
2559 arsenals, etc. that are traditionally allocated to the use of the “federal government”, (2) recognize
2560 that the “United States senators” are still under their original obligation to the state legislatures –
2561 they work for you and are accountable to the state, not the federal corporation, not the United
2562 States of America (Minor) and not the IMF. Demand that they account for their actions and
2563 inactions and remove them from public office if they have failed to abide by “The Constitution
2564 for the united States of America” and “The Alaska Statehood Compact” (just substitute the name
2565 of your state), (3) recognize that the “US congress members” are similarly directly accountable
2566 to the people of the state and demand that they immediately act to release all false claims against
2567 state and private property assets that have been made via the use of legal fiction entities however
2568 constructed, together with all false titles to land and other assets held under color of law, (4)
2569 recognize only “state banks” operated under state control and force all “national banks” to
2570 submit to state banking rules in order to do business in your state--- and make sure those rules
2571 are explicit in denying the use of “off book” accounts and other practices not allowed by Basel I,
2572 II, and III, (5) force all “courts” currently operating in your state to declare exactly who or what
2573 is operating them, and in what jurisdiction they are operating, and for what purpose(s) they are
2574 operating and make them openly, freely, and officially declare their nature and status so that
2575 people are no longer hoodwinked, (6) void the charters of all municipalities and boroughs
2576 operating in your state that have been issued under the auspices of the United States of America
2577 (Minor) or the UNITED STATES; these entities are under foreign obligation and have been
2578 established under conditions of fraud based on semantic deceit; so provide substitute issuance/ of
2579 city and other government unit charters as appropriate.

2580 **Note that inhabiting an American public office requires you to act with 100% commercial**
2581 **liability and according to The Constitution for the united States of America. As a result,**
2582 **you wield ultimate power, but to exercise this power you must also accept ultimate**
2583 **responsibility.** Also recognize that your acceptance of public office does not confer any special
2584 magic power or serve to make you “more equal” than any other birthright American. All
2585 Americans who accept the responsibility of a civil office may exercise it, because the **entire**
2586 power of the civil government is vested in **every** American without exception.

2587 **You cannot claim any control over public assets based on your public office while**
2588 **operating in a private capacity.** For example, you cannot sign a valid contract selling the
2589 Alaska state’s oil resources while enjoying any limited liability whatsoever, and you cannot
2590 make any such agreements in conflict of interest.

2591 **Governors of states** --- See above.

2592 **“US” congress members and “senators”**---- Find a distinct and unequivocal name for the
2593 United States of America (Minor) and end the semantic deceits and crimes that have been

Final Judgment and Civil Orders

2594 perpetuated as a result of this purposeful confusion at law. When you are operating the
2595 Municipal government, or the Insular States government, either one, make it clear to everyone
2596 everywhere that that is the capacity in which you are acting and do not allow any sloppy
2597 interpretation of your authorities and actions to bleed over and impact American Nationals.

2598 **Judges, Lawyers, Court Clerks, Judicial Councils** --- If you've read the rest of this document,
2599 it should be apparent that you are not required to be a member of the Bar Association. We
2600 suggest tearing up your Bar and/or BAR cards and forming a state-based professional association
2601 that accomplishes the worthy and positive functions of such an organization without the
2602 corruption and negative elements. Nobody is prevented from practicing law in America and
2603 never has been, nor is anyone prevented from offering **lawful** service. Set up your own courts as
2604 loyal Americans, include service under American Common Law, and have at it. The Bar
2605 Associations have long functioned as "closed union shops" and in violation of Taft-Hartley. Bust
2606 them for it.

2607 The actual 13th Amendment to The Constitution for the united States of America does NOT
2608 prevent you from serving your country or from plying your trade. It simply prevents you from
2609 serving a foreign government (that of the city state of Westminster) and accepting titles from that
2610 government as a Bar Association Member. So, purge your ranks of liars and traitors, do the
2611 right thing as Americans, and you'll be fine. Otherwise, pack your belongings and go. You have
2612 three years as of July 1, 2013 to settle your affairs and leave, provided that you do no harm to
2613 anyone else and do not infringe upon the material interests of any American National in the
2614 meantime and do not operate as an Undeclared Foreign Agent on our soil. If you cause any such
2615 trouble, you will be immediately arrested and deported.

2616 **Bankers** - Obviously, if you've been operating a "national" bank without the American nation
2617 on American soil and proposing to conscript Americans as debt slaves via the self-interested
2618 presumption that American Nationals are "US citizens", you are in a heap of trouble, and need to
2619 quickly, quietly, and determinedly make changes to recognize the interests of the American
2620 Nationals in their own private accounts, and to admit all off-book and escrow and demand
2621 accounts the bank has held or processed for federal corporations "in the name of" American
2622 Nationals.

2623 All fiat money systems based on "Notes" whether "Federal Reserve Notes" or "US Treasury
2624 Notes" are illegal in America, aka, The United States of America (Major) composed of 50
2625 organic states, and you are under complete demand to provide legal tender based on gold and
2626 silver coin standards. Otherwise, your clientele will be strictly limited to "US citizens" and you
2627 will be under full obligation to completely reveal (1) the difference between "US citizens" and
2628 "American Nationals" and precluded from offering service to any American National; (2)
2629 required to prove the citizenship status of all clients and that they have adopted that status
2630 knowingly, willingly, and under conditions of complete, explicit, and fully discussed disclosure
2631 of the consequences as well as any benefits, (3) honor the living status of American Nationals
2632 and never again create accounts merely "in the name" of any living man or woman born on the
2633 land of the American states based on "representations" made in their behalf, (4) commit no act of
2634 false advertising, such as advertising "loans" based on the customer's own credit. All national
2635 banks operating facilities on the land of the states will be obliged to conform to state standards

Final Judgment and Civil Orders

2636 and function according to “The Constitution for the united States of America” when addressing
2637 or offering services of any kind to American Nationals.

2638 The circumstance that American Nationals have suffered in having no money with which to pay
2639 debts is entirely the fault of the private, for-profit corporations under contract to provide these
2640 governmental services and the Department of Defense Financial Services Administration. Any
2641 bank proposing to offer service to the American Nationals must provide interest free commodity
2642 based real money subject to the gold and silver coin standard, not corporate I.O.U.’s, not fiat
2643 “debt notes”, and cannot charge any interest, make any loan, or offer to indebt any American
2644 National or state on the basis of failure to provide such service.

2645 **Military Officers, Police, Provost Marshals, Civilian Employees of DOD** - Remember who
2646 you actually work for and make no mistake. There are two different populations being served.
2647 American Nationals pay for your services and are owed your good faith service and dedication.
2648 “US citizens” are allowed to be present on the land of the organic states, but operate (at present)
2649 under a different government and are not owed the same protections, rights, and guarantees. All
2650 American Nationals are owed all protections of their national trust indenture and commercial
2651 service contract known as “The Constitution for the united States of America” and any law, rule,
2652 statute, or code serving to infringe upon them or their material rights in contravention of **their**
2653 Constitution is a violation of the Law of the Land and the Supreme Law of the Land which you
2654 are obligated to observe, honor, and protect under contract.
